

ANNUAL REPORT 2020/21 SEASON

**COLLAROY SURF
LIFE SAVING CLUB**

OUR CHARITABLE PURPOSE

The following objectives of the Club are taken from the Collaroy SLSC Statement of Objects & Rules (2019 version):

1. To provide Life Saving patrols upon Collaroy Beach in the Local Government Area of Northern Beaches (or upon such other beaches, reserves or public areas as the Committee may from time to time determine) for the protection and safety of swimmers, surfers and members of the public generally and to assist Northern Beaches Council and other public or semi-public bodies in respect of such matters.
2. To foster support, teach and encourage Surf Lifesaving, resuscitation and first aid techniques to Club members and members of the public in accordance with the principles and guidelines from time to time published by the Surf Life Saving Australia (hereinafter called "SLSA") and to the standards required by SLSA for the various lifesaving awards from time to time issued by SLSA.
3. To foster support, teach and encourage surf safety, swimming, water sports and water safety.
4. To conduct and participate in inter-club races, carnivals and championships with such other clubs or associations (whether affiliated with SLSA or not) as the Committee may from time to time determine.
5. To affiliate with SLSA or such other association or body from time to time responsible for the administration of Surf Life Saving in Australia and with such similar State and/or District Associations as may be necessary or considered desirable by the Committee.
6. To arrange youth activities and functions for members.

COLLARROY SURF LIFE SAVING CLUB INC

Founded 1911

Annual Report and Financial Statements 2020 - 2021 **110 years of Service to the Community**

Notice is hereby given that the one hundred and ninth
Annual General Meeting of the members of the

Club will be held at the Collaroy Surf Life Saving Club
on Sunday, 31st October 2021 at 12.00 pm.

BUSINESS:

- The adoption of the minutes of the one hundred and eighth Annual General Meeting held on Sunday, 29th November 2020.
- Presentation and adoption of the Financial Statements for 2020 – 2021.
- Presentation and adoption of the Annual Report for the Season 2020 – 2021.
- Member Awards.
- Election of office bearers and general committee members for Season 2021 – 2022.
- General Business.

SECRETARY'S REPORT

On behalf of the Executive and General Committee, I am pleased to present the 110th Annual Report for your consideration and adoption.

This report documents the activities of the Collaroy Surf Life Saving Club Inc. for the 2020-2021 Season and includes the Audited Financial Statement and Balance Sheet for the year ended 30th April 2021.

The Annual General Meeting was held on 29th November 2020. Members of the Executive elected were Greg Broome, Geoff Small, Liz Green, Stuart Spencer, Andrew Sole and Craig Thomas.

Patrols

Patrols were diligent on Collaroy Beach and congratulations to all patrolling members for maintaining a safe beach with no major incidents to report. Volunteers patrolled on Christmas Day and on the State and Australian Titles weekends. Thanks to Club Captain, Liz Green and her team for maintaining this tradition at Collaroy.

The season was quite different this year due to the global COVID-19 pandemic, with planning often managed on weekly to daily basis with intermittent restrictions placed on the local and broader community at different times, particularly during the Christmas/New Year period in the Northern Beaches area.

Thanks are extended to Greg Broome, Liz Green and Luke Hochkins for digesting and filtering the mountain of communicate from both Surf Life Saving and government bodies and creating the workable plans for the club as a whole (patrols, venue and gym) to operate within the new restrictions.

Competition

This season saw new competition formats in place, designed to reduce the overall attendance numbers to within government specified limits. Because of a number of ever-changing restrictions to attendance and spectators, the original season planning, at times, appeared to be a week-by-week proposition of which carnivals/events could run at what venue. The state titles saw significantly lower numbers of competitors across the board, and a few events were postponed, rescheduled, and then cancelled at late notice. Branch and State Titles were conducted over longer time frames (five weekends) to accommodate restrictions and event rescheduling, due to the global COVID-19

pandemic and other external factors.

The possibility of border closures due to outbreaks around the country, uncertainty over quarantine requirements if entering Queensland all added to the anxiety of attempting to plan competition attendance. The Australian Titles did however progress, and Collaroy enjoyed successes across the events. Section reports and competition results attest to this success.

The results of this season's carnivals are presented later in the report. Well done to everyone who competed, whether you gained a medal, made the finals, or helped make a team.

Thank you to all competitors for your dedication to training and competition. Thank you to the coaches who spend countless hours with their competitors to get to the results achieved this year.

Community Service

The Club was involved in limited community service events during the year, mainly due to gathering restrictions in place.

Dedicated club members coordinated the 'Sea Turtles' programme, allowing those less-abled in the community to enjoy the ocean pool and surf in a supervised environment.

The club also supported and raised funds for Head Above Water 24 hours swim event.

All in all, another very busy and fruitful year of continued community support.

Functions

The Annual Life and Distinguished Service Members Luncheon and our annual Golf Day were held in January, both being successful. The Club was used for several functions, for internal club events, member's functions, SNB Branch and other external events.

The venue at Collaroy was operated under ever changing restrictions placed on us by Public Health Orders, and well done to Luke and team for the work they have put in and managing under challenging conditions.

Nippers

Our junior members have had another great season, particularly dealing with varied conditions on Sundays. They have been

successful at carnivals and at the State Titles held at Swansea-Belmont and Redhead beaches.

I congratulate the Nippers on the Christmas initiative of a toy appeal for the children and families who are less fortunate, with a donation of gifts to the Salvation Army. To Craig and his committee, congratulations on a great year.

Sponsorship

The club has been fortunate to secure valuable sponsorship in a tough climate during the last season. The benefits can be seen in the new AV system in the club hall and bar area, and in the updated gym.

Thanks are extended to the sponsorship and hard work of a number of members in bringing these projects to fruition.

Club members are encouraged to support the community and our sponsors listed in the report.

Conclusion

Thank you to the Executive and all our club committees for their support and hard work, often behind the scenes, in what has been a very unusual season due to the pandemic.

Thank you to the Annual Report committee for the support in compiling and proofing the annual report.

To all patrolling members and competitors who have carried on the proud tradition of representing Collaroy with distinction, thank you.

To everyone who has assisted in any way during the season, you make Collaroy what it is today.

Thank you.

Honorary Secretary

AUSTRALIAN HONOURS

National Medal

Life Member, Greg MacMahon, was awarded the National Medal in October 2020. The National Medal was established by the Commonwealth of Australia in 1975 as one of the original elements of the distinctive Australian system of honours and awards. The medal recognises long service in organisations that protect life and property at some risk to their members.

Australian Representative Honours

Georgie Rowe was selected for the Australia Women's Rowing Eight to represent Australia in the upcoming Tokyo Olympics. We extend our congratulations to her and best wishes for success at the Olympic Regatta.

CLUB AWARDS 2020 - 2021

Distinguished Service Membership

Three club members were awarded Distinguished Service Membership at 2020 AGM.

Dr Michael Armstrong OAM

At the 1978 AGM, Dr Michael Armstrong was elected to the clubs' then six-man

panel of respected medical practitioners.

At the 1986 AGM, the panel was simplified to that of a single officer and to that effect, Michael has held this position for thirty-four years and borne witness to many memorable changes.

During the late 1980's there was a significant increase in the number of syringes and hypodermics found on Sydney beaches, promoting the generous support of the Hepatitis "B" vaccination programme. In 1989, Dr Armstrong and his colleague Dr David Wynter promoted and sponsored the inoculation of some two hundred and thirty members. They ensured that all travellers to the 1990 Australian Championships in Perth, W.A., were fully vaccinated and able to travel. By 1990 at the completion of the programme, all Club members had had the opportunity to be immunized.

The 1992 Australian Championships were hosted by Collaroy. Dr Armstrong

established and headed the "trauma centre" with other medics, thus ensuring that the 7,000 plus competitors, officials, supporters and spectators were well looked after. Given the inclement weather and huge seas over five days, they were kept busy.

Since 1977, as a generous and annual donor, Dr Armstrong has funded the purchase of necessary first aid equipment and the maintenance of rescue equipment.

In the 2017 Australia Day Honours List, Dr Michael Armstrong was awarded the Medal of the Order of Australia (OAM) for Services to the Community, his Medical Profession and to St. Augustine College in Brookvale.

At the outbreak of the COVID-19 pandemic in February 2020, Michael's advice on gym closure, internal and external functions, Nipper presentation and use of training equipment etc. was invaluable to the Club's Executive, allowing the club to be prompt, forthright and honest in decision making on behalf of the membership.

Barry Muncke

Barry joined the surf lifesaving movement some forty-six years ago in 1975 with the Anglesea SLSC in Victoria, qualifying for his Surf Bronze Medallion in January 1976.

A family move to Sydney in the late seventies saw Barry join Anglesea's Sydney sister club Queenscliff, where he was an active member for a few years, before transferring to Collaroy in 2006.

As a member of Collaroy, Barry has been an active patrolling member since the day he joined fifteen years ago. Outside of his rostered patrols, Barry can be seen doing

volunteer patrols, assisting water safety during Bronze Training week and relevant courses, Sunday Nippers and for the past three years, has assisted with the Notre Dame University's Doctor Training Week.

Barry joined the General Committee in 2014 and took on the role of Sponsorship Officer, a vital role within our Club's committee, which he still fulfils today, constantly working with sponsors and donors to ensure much needed funding for equipment is available to continue our function.

He has been responsible for submitting successful grant applications with local, state and federal governments. These have contributed to improving our facilities and upgrading necessary rescue and patrolling equipment.

On the competition scene, since 2008 Barry has been a member of our successful Men's (Bears) March Past Team, winning several Branch, NSW State and a couple of treasured Australian Titles. An elusive World March Past Title was also won in November of 2018.

Barry is always an active participant for work parties at club carnivals and events. For several years he has taken on the lead role on the organizing committee for our annual Ocean Swim and Golf Day, both events realizing many thousands of dollars in vital funds for the Club.

For his services to the Club, in 2018 Barry was the recipient of both the Bill Goodman Most Outstanding Committee Member and the President's Trophy.

Stephen (Steve) Green

Steve joined the Collaroy S.L.S.C. in 2000 and gained his Surf Bronze Medallion during January 2001. Steve

immediately became a patrolling member, initially on rostered patrols, more recently as a volunteering patrolling member always ready to assist, be it Christmas Day "volunteer patrol" or coverage for the NSW State and Australian Championships.

In 2010 he was credited with 100% patrol attendance and with his fellow patrol members that same year was the recipient of the "Patrol of the Year" Award. It would be an honest assessment to say that on a quiet day at the beach, Steve takes advantage of this to cast an eye on the condition of the pipes and associated fittings throughout the building. A plumber by trade, Steve is acutely aware of the lethal effect the salt has on the metal and our exposure to both.

He quietly ensures that all patrolling gear and equipment is fully operational, especially for the annual branch gear inspection in August, organising necessary repairs promptly and properly.

On the competition side of our movement, he enjoys the comradery of competing and over the years, winning the odd medal in ski races at masters' events at local carnivals, branch, state and Australian Championships. When the need arises, Steve is always one to put his hand up to assist with the regular Sunday training sessions, often tutoring and supporting our newer paddlers.

Steve also contributes at committee level and was a member of the five-person Expenditure Review Committee from 2007 to 2020. The constitutional make-up of this committee is such that he must stand down, even though we have lost a valuable voice with trade and practical experience on the E.R.C.

Steve continues to play a vital role on our Premises Committee since election in 2004. His advice and contribution have been respected and valued by all members over this long period of time and beyond.

Major projects with which he has been involved:

1. 2001 – member of Club's Premises "Reno Team" which completed a major revamp of the Club's bar, lounge, kitchen, balcony and office, moving the bar from one side of the room to the

other, involving extensive plumbing work.

2. 2019 – Steve assisted with dismantling the large horizontal refrigeration unit and associated pipe work for the bar upgrade.
3. 2019-2020 – through his contacts, Steve was able to arrange an excellent price for the replacement of two large commercial ovens. He assisted with removal and new installation.

He always answers the call from the Premises Committee to attend to any plumbing issues. As the building ages (almost 70 years now) his services are becoming increasingly required.

Annually, since 2005, Green Plumbing has been listed in the Sponsors and Donors section of our Annual Report, constantly giving of his time to make necessary repairs and to assist where required with other Premises Committee projects. One contributor noted on the savings for which the club has benefitted, due to Steve's expertise.

Steve could best be surmised as a quiet achiever, a friend to all. His longevity of twenty years as a constant performer gives testament to his commitment as a clubman – reliable and loyal, whether working alongside a fellow committee person or kicking sand with his teammates on the beach.

PRESIDENT'S REPORT 2020-2021

With COVID-19 still a major threat to the community our season started as it ended with multiple restrictions on just about everything we as a Surf Life Saving Club cherish and participate in. But that did not stop us getting patrols on the beach and training for our surf competitors underway with typical Collaroy imagination and innovation.

The club had to introduce COVID-19 safety plans and limits on numbers of people using various sections of the club restricted

how we could start the summer. Collaroy was ahead of the game and were one of the first to pass inspection and have our COVID-19 safety plans approved. We were also the first to introduce a check in code to allow more access to various sections of the club. With these in place our season got underway.

Notwithstanding storms, further COVID-19 restrictions and lock downs that cancelled our Ocean Swim, impacted patrols and delayed our Golf Day by three months, we had a very successful summer.

Patrols were supported impressively by our members as were our surf sports and club-initiated events in the Goodman Lounge which maintained a cash flow so desperately needed as traditional sponsorships were lost or cut back.

In saying that, our heartfelt thank you to all those sponsors who continued to support Collaroy even as they managed their own business issues.

Our long-term modernisation of the club continues. Our members were very patient as we completely stripped the old gym, donating some weight machines to Moruya SLSC, and replacing from the ground up every piece of equipment we identified as necessary to provide a COVID-19 safe, modern, state of the art facility for our members.

The gym reopened on February 1st, 2021, and will no doubt give our members years of service. Cost to complete the project was \$40K and we are very grateful for the \$10K grant received from the Federal Government through the community support infrastructure scheme coordinated through the Federal member for Mackellar, Jason Falinski. Thank you to all our members who helped during the project, particularly John Felton who designed and procured equipment, and put the gym together over many months.

We have also replaced the carpet in the Goodman Lounge with new timber style flooring and are well advanced in developing a solar power option for the club's power needs. These, and other projects in the pipeline, keep Collaroy SLSC a very modern, forward-thinking club, always looking at the best outcomes for its members both young and old and in between.

A visit to the club by Prime Minister Scott Morrison in February to announce a much-needed increase in Surf Life Saving funding enabled us to show off our patrols, equipment, and Nipper activities. The PM was accompanied by our local member as well as four other Government ministers and senators, which received broad media coverage highlighting Collaroy Surf Club and our members.

To the outgoing committee I thank you for your dedicated service to the club and simply we would have struggled to get through the year without your putting the club first on many occasions to ensure we are the best we can be.

It is fantastic to see the enthusiasm of the younger club members now serving on the committee. They are the future of the club and I look forward to watching their ideas for Collaroy come to fruition.

Even though we had a disruptive start to the year and some

Club President Greg Broome showing the PM around the club.

hiccups on the way through, we still managed to have a great season with the Collaroy Club spirit shining through from Nippers to all sections and most importantly, our patrols.

How good it was to see an Australian Titles back on the beaches on the Sunshine Coast. Our competitors performed at the highest standard and did us proud. More details in the section reports.

I would like to thank the members for their continued support of your committees, section heads and club initiatives.

Greg Broome

President

CLUB CAPTAIN'S REPORT

Well, the end of the 2020-21 season I would suggest is the beginning of a new normal for us all. A new way of lifesaving, and a new way to manage our member and community safety.

As the season kicked off, it wasn't long before we were faced with a re-occurring challenge with COVID-19 on the Northern Beaches in December 2020. With the whole of the Northern Beaches in lockdown, our volunteers again stepped up to the mark and we were never a day without our beaches patrolled.

Thank you to all our members, but in particular our leadership teams, patrol captains, call out teams and trainers who just keep turning up to fulfil our Lifesaving requirements despite the safety challenges.

If it wasn't COVID-19, it was dangerous surf or testing storms and floods that brought challenges to a number of events on our calendar this year. Despite this, volunteer patrols continued strongly, and Collaroy maintains its volunteer roster tradition across Christmas Day, State and National Championships. With all our strong competitors in the club, comes increased responsibilities with Water Safety. Big thanks to those who supported, namely Dougal Forsyth, Graeme Brill, Ben Crabbe and Luke McShane.

Our 13 Patrols again did an amazing job ensuring the Collaroy Community and all its visitors were safe on our beaches. Thank you to the Patrol Captains who work behind the scenes to not only support me in so many ways but lead our members. This year 'Patrol of the Year' goes to Patrol 11, however honourable mention to Patrols 10 and 2 who were close runner ups. Luke McShane, Ben Crabbe and Beau Maulguet congratulations on your lifesaving awards. It would not be a year in the seat without the unwavering support from the likes of Greg MacMahon, Scott McMurdo and Jesse Bowyer, thank-you.

With the resilience learnt this season, and the way our membership has risen to the challenges; nothing makes me prouder to be Club Captain. Well done to all our members and thank you for all the above and beyond moments that make Collaroy great!

Liz Green

Club Captain

Harvey Monnock, Talia St Clare with Craig Thomas – JLOTY representatives

JUNIOR ACTIVITIES BOARD “NIPPERS”

Leading into the new season, we had good numbers attend our Winter board training sessions on a Saturday afternoon, run by our new Coach Lauren Armstrong, the kids really enjoyed the sessions that were always tough but fun, especially when the sun was out.

Lots went into getting the season underway writing and updating COVID-19 Safety plans, working out the best way to make Nippers workable for the kids and parents, while still having fun and keeping the kids engaged, this was all helped by the split sessions that we had been running for several years.

Once all this was in place we got off to a great start, good weather, great surf conditions the beach was looking good and our numbers pushing past 300.

The split start times allowed us to give good support to the Age Managers and younger age groups, allowing them to make full use of the ocean pool before the swim club. Time in the pool, swimming and paddling boards in good conditions is essential for skills development and confidence, the kids really thrive with this opportunity. When they were not in the pool there was plenty of time on the beach, learning beach skills, sprint and flags and an emphasis on Beach and water safety.

Carnivals continued even with the odd COVID-19 interruption. The carnivals were well supported with the modified format working well to keep competition going in a safe environment, there were some promising performances and results.

Branch Champs came around very quickly, the split format allowed kids to compete in Beach, Water and R&R events. The Club performed well across all age groups, taking home medals in several events.

State was very different, spread over 4 days, age groups split, beach, water and R&R separated and no possibility of a club dinner, all this contributed to keeping our competitor numbers

down. The U9-U11's performed really well in some tough conditions over the first 2 days, Buddy Armstrong made the Board final, in the U14's Harvey Monnock made the swim final and in R&R, Charlotte Sole and Cheyan Maulguet took out the Gold in the U13 2 Person event.

Next season State is on our doorstep and I hope to see our competitor numbers swell.

We were able to wrap the season up with a really fun morning for all, the slip and slide even got a run as did the BBQ (Hopefully this will be back weekly next season) We held our AGM and Presentation, this went well giving us the opportunity to farewell the U14's and their age manager Deb as they move on into cadets, they have been great with the younger age groups and helping with Water safety throughout the season.

Thank you to the Nipper Committee/Age Managers for all their dedication to the kids and Collaroy SLSC, a few of them are moving on as their kids finish up in Nippers, thank you Bron Walton, Deb Monnock, Leigh Woodley, Nathan Fountain and Dave Barbour, you will all be missed.

Thank you to all the Coaches, Officials, Club Executive and Senior committee for your help and support this season. Also, all the parents that worked with and followed the rules of our COVID-19 Safety plan which allowed Nippers to run each week.

Next season we move forward with some new faces on the committee, there are a few places still to fill, let us hope for a near normal 2021/22 season.

Craig Thomas
JAB Chairman

Harvey Monnock, Deb Monnock, Katie Fountain – U14 Club Captains with U14 Age Manager

Under 14's – Deb Monnock

Well, that's the end of nippers for our group.

I think all that were there on the very last Sunday had an awesome time. It rained the whole morning, but we sure had fun joining up with all the other age groups on the slip and slide and bumping into one another in the blow-up plastic balls. We even managed to team up on the rescue boards and have a relay race. Great fun was had!

I'd like to congratulate the whole group. Some of the kids have been at Collaroy since they were in the yellow caps of the under 6's. That's many years of dealing with the weed and shore dump at 'The Roy'!

This season we all gained our Surf Rescue Certificate and have been patrolling the beach! That's an achievement and shows we have gained the skills over the years in the nippers ranks to keep beach goers safe. Well done kids, I'm so proud of you all, especially Luke Masiello whose first year it was- you're a Life Saver now!

With patrolling becoming the main focus, and assisting with water safety, very few of us competed in carnivals this season. Harvey Monnock, however, did all nipper and senior carnivals as U14's were encouraged to overlap into the senior surf sports ranks. His highlight was making the final of the swim at State and travelling to the Australian Titles on the Sunshine Coast.

Katie Fountain and Harvey represented the group at branch and the state carnivals.

Unfortunately, COVID-19 restrictions meant there was no March Past held at State this year, so our usual team members (Talia St Clare, Arielle Ravid and Harvey) didn't get to go "one better" and grab the gold in their final year. Good luck Millie Suters and the March Past team in 2021/2022 season.

A huge thank you goes to Craig Thomas our Nipper Chair and Lauren Armstrong our water coach. I also want to thank the

parents that helped when I was at carnivals. You're the best, Ravid, Bron and Sharon!

#gunsoutfortombsy

Deb Monnock

Under 13's – Andrew and Tara Sole

It was another good season for our U13's with a few new faces. Although hampered by the typical variety of weather and surf conditions, let alone COVID-19 restrictions, we made the best of beach and water conditions available to us.

In the water there were fabulous achievements with all achieving their competition swim proficiencies, mastering

board techniques and water skills and continuing to overcome fears. We had a small group of competitors who attended carnivals and the State Championships. All the children competed with great attitude, determination and achieved some wonderful personal bests.

Club champs was a challenge as conditions and availability restricted us to 2 rounds only. Congratulations to our award winners, noted later in the report.

Tara and I have really enjoyed helping the kids and look forward to seeing you all on the beach and in the water again next year for each of you to gain your Surf Rescue Certificate (SRC) and commence lifesaving patrols – a key reason for nippers and the culmination of those snippets of training and education we do each season.

Finally, as always, we would like to thank all the U13 parents for their support and assistance over the season, especially those that gave up their time to coach, officiate, provide water safety, or perform committee roles. The club does not function without everyone pitching in to help.

Andrew and Tara Sole

Under 12's – Tristan St Clare

When I look back over the last season there are a number of themes that stand out. I want to start by thanking Craig Thomas, Dave Barbour and the many unseen people behind the scenes having the untold hours of meetings making the COVID-19 related decisions that allowed Nippers to go ahead in a way helped keep people safe.

With this in mind, I also want to thank all the parents for their flexibility with these changes, especially those who have kids that straddle the Junior and Senior nippers age brackets. I must say that after my initial misgivings, I thought that there were quite a few hidden benefits, the slightly easier parking being just one of those.

We had a couple of new members join the fold this year and it was fantastic to see Jaida and Sienna give it their all, each Sunday. They weren't the only ones learning new things though – the whole group improved their skills in resuscitation and first aid and deepened their understanding of how the body works, the risks to first aiders and how to avoid them when performing a rescue. It is so rewarding to see the group enjoying themselves practising their Tube and Board rescues with their mates. They show great promise in their life saving skills and I can't wait for them to give their SRC a crack in the coming season.

We had some really close results in the Club Championships this year with Ethan Hall and Conor Mulcahy, battling it out for Club Champion. Ethan ended up just scraping through as Club Champ but I'm sure he knows there will be some stiff competition when Summer comes back around. A special mention also needs to go to Nikolay Fanygin. His skills in the water have really improved and will be someone to watch in the coming years.

We saw some outstanding results for the girls too. Special mention needs to be made of Ella Espinosa's improvement on the board, taking out Silver this year in the Club Champs. Sofia Kazakov was blisteringly fast on the sand and I would love to see her representing Collaroy at carnivals this Summer. Olivia was as strong as ever in the water and these results, with her solid performances on the sand, allowed her to take out Club Champ. Charlie Woods has continued to improve her skills in all events and has shown great bravery in battling her fears when it comes to bigger surf. Charlie is always encouraging others to do their best as well and, for these reasons, collected the girls Surf Life Saving award for this year. Well done Charlie!

Before closing, I wish to send out some special thanks to those parents who are always willing to help out on the beach. All the U12 parents are fantastic in this way but, in particular, I want to thank Michael Hall and Fiona Mulcahy for their unwavering support on Sundays and for being ready to step into the breach when I can't be there. I also want to mention Lauren Armstrong who has done such a fantastic job with Water Training this year. While I wasn't present for as many sessions last season, what I did see was a water coach who was not only skilled in helping individual kids shine through honing specialised skills but also a coach who could be gentle enough to help the most timid of nippers get stuck in and give it their best. The last thank you needs to go to Dave Barbour, who will be stepping back from

his role as Secretary after giving so many hours to the club in so many roles over the years, including Nippers Chairman. Thanks Dave, for all your support and friendship over the years. We'll miss you.

Tristan St Clare

Under 11's – Lauren Armstrong

The 11's this season were a smaller group of kids, some brand new to nippers and some who have been there since the u'6's.

After a couple of weeks of "getting to know each other" games and conversations the kids really embraced what it means to be participating in nippers. This season I really tried to emphasize the role of what the 11-year-old kid at the beach can do to assist in any kind of situation, whether it be helping with a rescue, looking after their mate, keeping our beach clean etc. The days where we practiced board rescues were by far the most anticipated by my group. It is really a nice thing to see the excitement and eagerness in all of the kids, especially those who are working on their confidence in the surf.

On a competition front, club champs were contested by everyone and again I couldn't have been prouder when the majority put their hands up and attempted to have a go in all races including the Ironman which is a new event for 11-year-olds.

A special thank you to the water safety and u14's for always being there and ready to help with whatever was needed, to the parents of the U11's who assisted with water safety week in and week out, it is great for the kids to see the parents out in the water and participating in nippers!! See you all next season

Lauren Armstrong

Under 10's - Craig Thomas

It was great to see some new faces join the U10 crew for the season, all were keen to get the season going and ready for some challenges. A few proficiency laps in a fresh temperature pool, is always a good way to start the season!! It was great to see many of them rise to the challenges of longer swim and board paddling courses, often in tricky conditions.

There was a big change in confidence, especially in some of the weaker swimmers and paddlers as the season progressed. Each week was different, as we looked to enhance Beach skills, Water skills, Surf and Beach safety and we also introduced some First Aid and Basic rescue skills. The First Aid and Rescue skills training was fun and well received, I will look to advancing this next season.

As always, anything we did on the beach or in the water was always keenly contested, even when it was not a race! Club Champs was competitive, with new faces joining the race for points and medals, in the boys and the girls. Training and time in the water really paid off for some, we even had the added hurdle of a Shark Alarm mid swim race!

We struggled to get competitors to carnivals, both Beach and Water, but those that did attend always represented Collaroy

well and did their best, achieving some very promising results. Three of the boys who competed in Carnivals all season attended State to compete in the Water events, all performed well in trying conditions and should be proud of their efforts. If they continue the work throughout Winter and transition onto Fibreglass boards, they will all challenge in competition next season. Hopefully, we can bolster our competitor numbers.

We finished the season with a fun morning on the beach and in the Water and it was great to see everyone at the presentation, where I was able to give out some deserved awards.

Thank you to the parents that helped when I was at Carnivals or carrying out my Chairman duties. Thank you to the fantastic cadets and U14's that help each week with Water Safety, they are always so encouraging.

Enjoy your Winter sports and I hope to see you and perhaps your friends for next season.

Craig Thomas

Under 9's – Andrew Mathie

After the disruption of 2020 it was awesome to be greeted by a very large, highly competitive and enthusiastic group of U9's for our 2020/21 season. We had a really good mix of returning and new Nippers who all contributed to a very enjoyable and rewarding season. The highlight was seeing the continued growth in confidence the U9's displayed in the water, an increased knowledge of the various surf conditions, and further development of their skills on the beach and particularly in the surf (both with swim and board).

This resulted in three hotly contested rounds of our Club Championships with 23 boys and 12 girls obtaining a top six placing across the events. It actually came down to the final round and only a handful of points to decide the placings for our U9 Club Champions.

Congratulations to every Nipper who competed - it's all about having a go and doing your best. I was very proud of the effort of each child, and the wonderful sportsmanship and encouragement of fellow competitors that was always displayed.

This camaraderie extended to the participation of numerous U9's at a Carnival. Terrific results were achieved at multiple carnivals including our Branch Beach Carnival where Collaroy was proudly able to field two teams in the U9 Mixed Relay.

I'm very grateful for the generous and wonderful support I received from many parents across the season which enabled our activities each Sunday morning to run seamlessly. THANK YOU to every parent who provided a helping hand.

Additionally, THANK YOU to those older Nippers who assisted with water safety during our Club Championships and were there each weekend to encourage and support our U9's.

Stay safe, remember to continue with the kids swim lessons/ training during the Winter months, and I hope to see everyone's return as U10's for season 2021/22.

Andrew Mathie

Under 8's – Gregg Armstrong

The U8 age group this year consisted of a total of 53 children, with more than 40 kids on average attending each week.

Each Sunday morning was what I like to call 'controlled chaos'. The kids undertaking activities, laughing, and screaming, while it looked like I was in control...

The goal this year was to build confidence and awareness in the water and waves, bring a little competitiveness into the activities but most of all, make sure the kids were smiling and having fun.

Much of what we did each week was dependent on the surf conditions and tides but between the beach, ocean and pool, we were able to focus on improving their skills and confidence.

The biggest challenge for me each week was keeping the kids active and interested, so they didn't get cold, bored and/ or want to go home.

Some areas we focused on this year were:

- Wading through shallow water and waves
- Dolphin diving
- Diving under waves (and grabbing sand from the bottom)
- Learning to body surf
- Laying and paddling on a board
- Catching waves on a board
- Identifying where it's safe to swim at the beach (particularly when there's no flags) and where the dangers are
- What to do if you feel you need help or assistance in the water

I was overwhelmed with the attitude of all the kids this year. Each week, the kids turned up enthusiastic, willing to listen and most of all, wanting to have fun.

Being a water person myself, I really got a thrill out of seeing the kids gain confidence in the water but for some, just getting out there was an accomplishment.

Looking after 40 plus kids each week is an impossible task on my own. Each week I was inundated with support from parents wanting to help out. A huge thankyou to all those parents who assisted during the year. I couldn't have done it without you!!!

A particular mention to Nathan McKay, who worked closely with me each week and took over as Age Manager when I was away.

The involvement of parents allows the kids to have more turns at each activity, keep active and involved for longer so they don't get cold, but most of all, puts a smile on the kids facing seeing their parents involved in the activity they're doing.

Thanks again for all the support in my first season as Age Manager and looking forward to seeing everyone's faces again next season!

Gregg Armstrong

Under 7's – Leigh Woodley

It has been great to see the confidence building in the U7's particularly our forays on the boards and bodysurfing! It's good to see some now progressing to the kneeling technique, which will serve them well in Under 8's and beyond.

We have made the most of our time on the sand with flags, beach sprinting and relays. The kids have progressed well, and we have reached a stage where we are seeing great competition amongst the group.

The U7's are well set for a great next season – with our brilliant group of parent helpers we have seen strong development of foundation skills and I'm sure the kids will enjoy seeing more parent participation in Water Safety as the group ventures into the surf more frequently in the U8's.

Thank you all for a great Summer!

Leigh Woodley

Under 6's – Kristen Butcher

What a fantastic first season for our U6's. We had a great group of fun, energetic, enthusiastic kids who got stuck into every activity, giving it their best every week with big smiles on their faces.

Throughout the season the U6's have learnt some valuable water skills, developed an awareness of ocean conditions, gained various SLS knowledge, as well as made new friends. The kids were incredibly adept at retaining and recalling what they had learnt throughout the season, and this influenced their ability to successfully tackle some of the challenges we face at the beach.

The aim this year was to ensure the U6's ended the season feeling more safe, confident and happy in and around the surf – they succeeded. This is a testament to the efforts that the children put in each week, and the support of their families. Seeing the kids learn and grow was so rewarding and enjoyable for me as their age manager. I am incredibly proud of what they achieved.

A big thank you to all the parent helpers; without you, nippers would not be possible. Brett and Jordy, thank you for being my right-hand people. Your weekly involvement and support were invaluable. I thoroughly enjoyed being the U6's Age Manager this year and look forward to seeing everyone next season.

Kristen Butcher

BEACH REPORT

Whilst our numbers are still down we continued to have our regular 'beachys' training on a weekly basis, Kerry, Miho, Amy, Ryan and Lachy – thank you for turning up week in, week out, and a thank you to Kerry for covering me when I can't make it.

Numbers maybe be down, however we had a great season results wise, as follows.

State Championships – Redhead Beach

Unfortunately, our under 17s were not all able to compete on the beach due to COVID-19 restrictions not permitting venue crossover (as all had competed in R&R at a separate arena), but our Masters ladies led the way.

Miho Kawasaki, 55-59yrs 6th Sprint, 5th Flags, 1st in the 1km run; Kerry Armstrong, 65-69yrs, 1st Sprint, 2nd Flags, 1st 1km run; Philippa Wight, 1st Sprint, 55-59yrs; Amy Ryniker joined the three ladies above, in the 200years relay, for 3rd place in the final. A great effort by all of you.

Australian Titles – 'Aussies'

It was so good to see the red caps back on the beach in numbers at what is the biggest carnival of the year. Collaroy finished with a stack of Aussie medals with all our Beach Relay teams making finals.

Our beach team was made up of Under 17's: Evan Neal, Beau Maulguet, Ryan O'Shea, Lachie Davis, and Ladies, Pippa Yeandle and Jordy Monnock; Masters Mens: Nathan McKay, 45-49ys; Masters Ladies: Kerry Armstrong 65-69ys, Linda McDowell 60-64ys, Miho Kawasaki, 55-59yrs and Philippa Wight 55-59ys

There were some great results from this team.

Evan, Beau, Ryan and Lachie, 7th final, U17 Male Beach Relay...a long time since we have had a Mens 17s in the final. GREAT STUFF LADS. Evan semi-finalist in sprint, 2nd round flags. Lachie ran well in the 2km run, and with Evan, finished 8th in the 1km relay. Mixed Beach Relay 17s Pippa, Jordy, Evan and Lachie, 8th in the final.

Special mention that Pippa, Jordy, Lachie and Ryan also doubled up in the R&R events as well...You all gave your best and that is all you can ask of yourselves.

MASTERS RESULTS AS FOLLOWS...are you ready for this!!!

Nathan McKay, 1st sprint, 2nd flags 45-49yrs. Miho Kawasaki, 2nd 2km run, 8th in flags 55-59yr. Philippa Wight, 3rd flags, 3rd sprint, 55-59yrs. Linda McDowell, 5th 1km run, sprint finalist. 60-64 yrs. Kerry Armstrong, 1st 1km run, 3rd flags and sprint. 65-69yrs

MASTERS LADIES 230YR BEACH RELAY, 1ST PLACE, Kerry, Linda, Miho and Philippa...WOW! Congratulations ladies, so well deserved. You have trained so hard throughout the season, and Miho recovering from shoulder surgery early in the season and just kept on training after.

You really are all an inspiration, and proof, that age is no barrier, and experience and staying healthy is everything!!!

I proudly announce Female Beach Competitor of the Year is Kerry Armstrong, and Male Beach Competitor, Nathan McKay.

Thank you and see you next year on the beach.

Craig Williams

Collaroy Team tent at Aussies

BOAT SECTION REPORT

Another challenging season for the Red Caps with COVID-19 and Huey interruptions along the way... however as a club and section we continued to build on the momentum of our 2020/21 Season. There is no doubt that the pinnacle of the season was our Aussies Campaign. Collaroy took fourteen crews to Aussies on the Sunshine Coast and had ten crews qualify for finals day. It was a sea of red caps on the beach on finals day and a true sign of the strength of the club across all divisions and a reward for our focus on improving our performance and skills over the past two seasons.

Not since 1996 have we had two Reserve Men's crews in the Australian final. A big congratulations to the Ando and SOBs, and Gav and The Knights for putting together a great Aussies campaign. Two crews that were rewarded for not only their efforts on the water, but the long term efforts and investment that they have put into our club over the years.

Whilst we didn't come home with an Aussie medal, we feel it was a pivotal moment in particular for all of our young team members to get a true sense of how special it is to make an Aussies Finals day and provide much inspiration to go even further next season and beyond. Unfortunately the State Titles were cancelled and rescheduled this season, which many crews were unable to

make, but the Red Caps were dominant in our Branch Titles and come home with a collection of medals including winning the boat relay.

It was also the first time in a long time since the club has had two crews represent the State which was a very proud moment for all of us and a big congratulations to Pebbles and his Queen Bees and Beastmode. They did us all very proud flying the NSW flag down at Mollymook.

Finally, we want to thank Broomie, Stu, Janine, Greg, Baz, Luke and all of the committee and our members for your ongoing support of the Boaties. The section is in a great place, and we are excited to continue to build on these last two seasons and most importantly continue to support and be a part of our amazing club.

Co-Captains

Will Hosking and Jess Layton

SWEEP REPORTS

The Premium (U23 Men)

Luke Dowling, Jimmy Gilmartin, Kyle Whittard, Kade McRitchie - Mark Reece (Sweep)

This was the boys' first year of rowing U23's and I hope we learnt some lessons about the intensity and consistency of training required to be successful. Winning starts on Monday and at every other session during the week/year. You can't expect to turn up on the weekend and have it magically happen.

Luke Dowling kindly joined us in the bow this season. Luke is easy to coach and improves with every session. Kyle also started to become a more natural leader in the crew, the subtle way he goes about it whilst concentrating on his own rowing will only improve from here.

I also want to thank Rob for working with the crew late in the season. His genuineness in wanting the crew to improve was obvious and he certainly achieved that.

The time is now for us boys if we are to be cannon balls and not cannon fodder.

The Kooks (U19 Women)

Georgia Hines, Erin Elsworth, Alex Hoatson, Aysha Whyte - Mark Reece (Sweep)

The girls (in their 1st year of U23's) started the season well making many finals including the final at Manly/Nth Steyne.

Post Manly we got a little bit left behind which was a shame for a crew with so much potential.

Aysha is a pleasure to coach. She is a great athlete who takes responsibility to ensure she is able to train and compete at a high level. The other three girls I think now understand that and the pre-season will see if they will come up to the mark.

Bluto's Angels (U23 Women)

Nina Bowyer, Tara Bowyer, Molly Whelan, Hannah Yeates - Rob Maloney (Sweep)

With addition of Hannah Yeates to the crew and to surfboats in early December, the girls understood that the season was to become a time for development, fun and support the great group of Collaroy rowers we have.

First Carnival was Young Guns. With a strong start to the day with two wins and a 3rd, an unfortunate injury meant the girls had to withdraw mid competition.

State Championships was next. The girls rowed well all day in testing conditions early to make their first ever final to finish 6th in the state. Fantastic achievement.

Aussie titles... wow, with a lot of nerves at the start of the first race the girls only got better and better as the carnival went on, even challenging a lot of the top contenders. Making it through

to the final day before narrowly bowing out in the top 12.

With so many hurdles throughout the season the girls kept turning up each week to every training session and carnivals full of energy and determination to give it their absolute best, exceeding all expectations.

Bruisers (U19 Men)

Sam Palmer, Sean Crowe, Jamie Tam O Connor, Max Sebok, - Rob Maloney (Sweep)

With an impressive start to their rowing careers last season it set new goals for season 20/21.

With a strong pre-season of training with help from Sammy Nicholas the boys went from strength to strength making finals consistently throughout the season, most notably 5th at the State championships.

Aussies was one to remember for their first campaign, to narrowly miss out on the Aussie final to make the top eight was a massive achievement.

The commitment the boys put into their training and racing cannot be faulted giving it absolute everything, great things to come for these boys.

Many thanks to Sammy Nicholas, Steve Scott, Gavin Scott and the Knights for all the time you have put in.

Black (U19 Women)

Poppy Elliott, Annika Muller, Tiah Szann, Antoinette (Nette) Theunissen - Gavin Scott (Sweep)

Part of our under 19 development squad, the crew debuted with an incredible fourth in the final in our own Young Guns event in late January. This was followed by an unlucky sixth in the Branch Championships final.

The crew obtained their bronze medallions, completed their patrol obligations, trained well and enjoyed learning the ropes. Already in training for another season in the same division, big things are expected of this crew.

A big thank you to Jason "Watto" Pearce, Rob Maloney, and Gary "Zacca" Watts for playing their part in assisting to bring along this great bunch of young ladies.

Red (U19 Women)

Bella Dunkin, Poppy Elliott, Hannah Gilmartin, Abbie O'Sullivan, Frankie Webster - Gavin Scott (Sweep)

Part of our under 19 development squad the crew debuted with an incredible fifth in the final in our own Young Guns event in late January. This was followed by an outstanding and dominant win in the Branch Championships final. The crew went from strength

to strength finishing fourth in the State Championship final and narrowly missed the Australian final, exiting by the narrowest of margins in the round of the last eight crews.

Incredible results for a crew of new rowers who were joined late in the season by the experienced Bella Dunkin. This crew has had a taste of success in their first year and have big futures ahead of them.

A huge thank you to Poppy Elliott who went out of her way to assist the crew in training and where possible competition. Special thanks as well to Jason "Watto" Pearce, Ryan "Pebbles" Halangahu and Gary "Zacca" Watts for their assistance.

Silly Salmons (U23 Women)

Kate Dampney, Megan Koch, Mia O'Sullivan, Lily Clarke - Gavin Scott (Sweep)

The season we welcomed Mia O'Sullivan to the crew and started with an impressive second place in the final at Coffs Harbour which was followed by a bronze at our own Young Guns carnival, then an unlucky fourth in the branch final. The crew did not go to State but went to Aussies expecting big things which unfortunately did not happen.

A fantastic bunch of ladies who enjoy their rowing and are a pleasure to be around. The crew is well respected for their competition prowess and their commitment to our club in many facets. Congratulations on a great season.

A huge thank you to Jason "Watto" Pearce, who was the crew's strength and conditioner, and Gary "Zacca" Watts as coach.

Knights (Reserve Men)

Angus Hoy, Sam Nicholas, Shane Freeman, Jason "Watto" Pearce - Gavin Scott (Sweep)

This season we welcomed back Angus Hoy to the stroke seat and immediately saw results with two dominant final wins in the first two events of the season being Newport and Coffs Harbour. The crew trained incredibly well finishing with silver in the branch final after leading the race for 97% of the course. The composure, commitment and maturity saw the crew take on some in and out of boat training responsibilities for the younger crews which was appreciated by many.

The crew finished the season with a fourth in the Australian Final after being dominant all competition. Worthy winners of the highly coveted Paul Booth Boat Crew of the Year Award. Whilst the end result was not quite what was hoped for, the season was a truly enjoyable and competitive one, probably overall this very experienced crews best ever. An absolute pleasure to train, coach and be with. Congratulations on a great season

Ryan "Pebbles" Halangahu (Sweep)

What a season we had, to be involved in this Collaroy club is something special, with the massive ground swell that has been generated. Collaroy is coming!!!

Personally, for me to have a crew in each age division was such a thrill and a challenge to my coaching and sweeping, and for all crews to finish in the top three in the local branch point score was such an achievement. It's never easy sweeping 4 crews, but these teams made it possible with their positive attitudes and willingness to help, I've learnt so much this season and enjoyed every bit of it.

I have so many highlights for the season, my stand outs are qualifying and sweeping two NSW state teams, branch GOLD in boat relay comprised of my three crews (thanks Gav for the help), the Aussies campaign as a whole, with 11 Collaroy crews including all my four crews making finals day is such an achievement and show of club strength.

The Magnets (U19 Men)

Jack Nugent, Jackson Lind, Harper Hodgkinson, Jayke Jecks - Ryan "Pebbles" Halangahu (Sweep)

A crew that never gave up, they stepped up to the plate in their first season and hit it out of the park.

A mix of boys who keep each other grounded and on track, big things are in store for this crew!! It's never easy teaching new rowers, but these guys applied themselves and were a pleasure to sweep.

Highlight of the season- Branch GOLD, ASRL top 8, Aussies top 8

Programming next season will be everything for these boys next season, how far they go will be up to them!

Beastmode (U19 Women)

Johanna Brent, Emily Wise, Kenya Fahey, Annika Beesley - Ryan "Pebbles" Halangahu (Sweep)

The ever-reliable Beastmode, always there to make everyone smile, their attitude in and out of the boat always impresses me.

Their first season in U23 girls was a successful one. We always knew it was going to be a battle with three of the girls still eligible for under 19s. However, these girls pulled every stroke with purpose for each other, such an amazing team of girls – forever grateful for the Beasties

Highlights of the season 1st Manly, 2nd Collaroy Young Guns, their row in the semi at Aussies and the biggest highlight and achievement was them representing NSW at the ASRL and will something to be remembered for life.

Back next season fitter and stronger now they have had a taste of the 23s division.

Queen Bees (Reserve Women)

Liz Green, Jacinta "Jazzy" Kendall, Kelly Trim, Sarah McRitchie - Ryan "Pebbles" Halangahu (Sweep)

Our second season together, with the addition of our Jazzy, what an addition to a crew of the most amazing ladies I've had the pleasure to sweep, never going to be easy with the "husband and wife combo" in the boat, but the Queens did it so well.

The experience and determination saw these girls at the top of their division, consistently making finals and finishing on the podium – I enjoyed every minute.

Highlights of the season was winning Manly Carnival back-to-back, Aussie short course final and by far the biggest accomplishment is making the State team and winning their division for NSW.

Who knows what will happen with the Queens maybe some Queen mothers?, and hopefully keeping Jazzy hooked and interested after her first successful season.

BIG MACS (Open Men)

Kurt Spencer, Mathew Chave, Eugene Swanepoel, Chris Reid, Brett Babicci - Ryan "Pebbles" Halangahu (Sweep)

The hardest workers in the room, with two new members joining the crew it was always going to take some time to get the combinations right, with a wealth of knowledge between them all, I knew we would be right up there.

We still had our fair share of disruptions between abseiling trips, cancelled trips away, bad backs and bucks parties. But by the time we got to Aussies the Big Macs were definitely on the pace, to miss the short course and standard course finals at Aussies by one race was an accomplishment and heartbreak. Hats off to these guys!!!

Thankyou Brett Babicci our super sub for his sacrifices, an amazing effort.

Highlights for the season -final in three OTs, the row in the boat relay at Branch, our Aussies campaign as a whole.

Word on the street is everyone is keen again. So fingers crossed, Perth is in our sights.

Pebbles out - Thankyou to my club, the rowers, supporters, all the crews' families for putting up with us and most of all my wife Kelly for putting up with me 24/7

Garricks (Open Men)

Will Hosking, Matt Bealey, Gus Campbell, Alex Nicolson, Sam Newsom, Sam (Bluey) Wallrock - Mark Anderson (Sweep)

What started out as a potential watershed year, the Garricks soon were troubled by injuries before stepping into the boat. With Matt forced out with injury Sam (Bluey) Wallrock joined the crew with super-sub-Gus Campbell filling in for Ocean Thunder rounds.

Unfortunately, the injuries and illnesses didn't end there with

bouts of pneumonia, back injuries and severed fingers the crew resembled a revolving door of bodies and rowing combinations.

When some consistency was able to be found the crew showed they remain very competitive and respected across the beach, notably making the NSW Open Men's Final. While the future remains unclear for the Garricks they leave behind a legacy which is the foundation for the strength, direction and successes for the boat section.

Giants (Open Women)

Abbey Jones, Jodie Trim, Aimee Gundry, Jess Layton - Mark Anderson (Sweep)

While there aren't too many certainties in life a few things you can rely on is the Giants will train super hard, be ultra-competitive and never be short for a carnival snack.

The Giants are one of the country's best female surfboat crews who go about their business quietly and humbly. Sydney Northern Beaches Champions, round winners and 3rd place getters in the Ocean Thunder Surf Boat Series are just a few of the achievements from the Giants this season, their simple formula of hard work and fun is infectious and provides the rest of the boat section great role models and mentors. With State and Branch gold medals in their pockets that illusive Aussie Gold is in reach and just around the corner.

Schooners of Black (Reserve Men)

Zac Crowe, Tyler Stowe, Bailey Dwyer, Charlie Jormanainen - Mark Anderson (Sweep)

Entering senior rowing divisions for the first time the SOB's were determined to remain a competitive crew. They showed significant improvements in their intensity and commitment towards training and completed a season which saw them gain experience, boat speed and most importantly much needed consistency.

They were competitive all season narrowly missing the ASRL and Branch finals, the season highlighted by making their first Aussie final (Reserve Men) in their first attempt. The SOB's developed a reputation as a hardened and competitive crew, they have shown the attributes to grow into a top-level crew for many years to come.

NSW Interstate Boat Representatives - Beastmode: Ryan "Pebbles" Halangahu, Kenya Fahey, Emily Wise, Annika Beesley, Johanna Brent.

NSW Interstate Boat Representatives - The Queen Bees: Jacinta "Jazzy" Kendall, Liz Green, Sarah McRitchie, Ryan "Pebbles" Halangahu (Sweep), Kelly Trim

Charlotte and Cheyan with Jake (coach), this season's winners of State Gold, Nippers R&R Team of the Year, and Charlotte, winner of the Alana de Kort R&R Memorial Award

U17 5Person - winners of the 'Paul and Jacqui de Kort R&R Team of the Year' award

RESCUE & RESUSCITATION (R&R) REPORT

The R&R teams kicked off the season and brushed off the cobwebs at the Freshwater carnival where they practiced the new resuscitation rules introduced due to COVID. Although there were a few changes to learn, all the teams picked it up quickly and were very competitive once again coming away with medals at the various Titles.

U/12-13 years 2 Person R&R

(Charlotte Sole and Cheyan Maulguet – coach Jake de Kort)

Although they were the only Nippers team we had this year, the girls certainly did themselves and the Club proud with their great results throughout the season considering Cheyan only started R&R this year. Under the guidance of Jake, the girls really focussed at training and were very competitive by the time the Titles came around. The girls were just too good for all the teams they came up against winning the gold medal at Branch and taking out the double with an excellent win at State by quite a large margin. Congratulations girls on such a great season and also to Jake who once again had his team peaking at the right time to add to his never-ending list of coaching achievements. Well done also to Charlotte on winning the 'Alana de Kort R&R Memorial Award' once again.

U/14-15 years 2 Person R&R

(Marley Hill and Stella Lynch – coach Nicole Bridges)

This was another team that only came together this year and they can be very proud of their achievements with only 5 short weeks of training to prepare for the State Titles. They trained as often as they could to get themselves ready and had to go to State without any previous carnival experience. The girls competed very well in their first carnival together and just missed out on the finals coming in 7th place on a countback. They were really excited and motivated to compete at the Aussies Youth

Titles and did brilliantly to make it into the final coming a very creditable 6th place. A massive well done to Nicole in getting the team up to such a high standard with such a short timeframe to work with.

U/17 5 Person R&R

(Jordan Monnock, Beau Maulguet, Ryan O'Shea, Pippa Yeandle and Lachlan Davis – coach Jacqui de Kort)

This team had to compete in the surf for the first time meaning they had to learn how to deal with the various surf conditions and the dreaded side-sweeps whilst towing a belt out to the patient. It is usually a huge learning curve for teams transitioning to full water run throughs but this team just nailed it.

The team is always full of enthusiasm when it comes to competing and they perform really well together when it counts. They also competed up in the U/19's when possible, which gave them even more valuable experience in water. They continually lowered their points throughout the season and came away with gold medals at Branch and silver medals at State in both the U/17's and U/19's events.

They then followed it up with a great effort at Aussies taking out the silver medal in the U/17's event. Congratulations to both Jacqui and the team on such great results and I'm really looking forward to seeing how they go next year as a national title isn't too far away for this team.

Open Women 5 Person R&R

(Jordan Monnock, Brooke Perry, Annabelle Loone, Millie Suters and Steph Doney – coach Paul de Kort)

The team were a team member short at the beginning of the season but thankfully Jordan Monnock agreed to join the team which meant they were able to compete this season. They only

RnR Team at Aussies

competed at the Branch and Aussies Titles this season and unfortunately had to miss State due to the COVID-19 bubble restrictions. Despite some positional changes, the team kept training hard and gelled together quickly resulting in a gold medal at Branch and an excellent performance at Aussies saw them walk away with the silver medal. This was an excellent result for the girls and something they should be very proud of as medals are always tough to win in this event. One day we will get our hands on that elusive Aussie gold medal and hopefully that will be next year.

Open Mixed 5 Person R&R

(Annabelle Loone, Jake de Kort, Paul Ducker, Jesse Bowyer and Millie Suters – coach Paul de Kort)

This team of R&R stalwarts have a lot of R&R experience amongst them which means that it doesn't take them very long to get back to their usual high standards and are always in the hunt for a medal. This team always performs well when it counts and this season was no exception with silver medals galore at the Branch, State and Aussie Titles. Not quite the trifecta they were hoping for but it was still an excellent achievement – well done team.

Open Mixed 6 Person R&R

(Annabelle Loone, Jake de Kort, Paul Ducker, Brooke Perry, Jesse Bowyer and Millie Suters – coach Paul de Kort)

This team also competed together in the 6 Person R&R event along with the ever-reliable Brooke Perry. This event is one that every Club wants to win and is always a highly competitive

event. Our swimmers, Jake and Brooke, were outstanding in the belt and tube this season which gave the team a good chance of getting into the medals at the Titles. The team got some excellent results coming away with silver medals at both the Branch and State Titles, and also a bronze medal at the Aussies after surviving a protest hearing from Wanda. It was a great effort from everyone involved and no doubt they will be back again next year to try and win the coveted Premiers flag.

The winners of the 'Paul and Jacqui de Kort R&R Team of the Year' award goes to the U/17's team for their total commitment to training and competition and of course their outstanding results throughout the year. Congratulations Jacqui and all the team.

The winner of the 'Ray Barker Memorial R&R Trophy' goes to Jordan Monnock who had a fabulous season and performed extremely well in both the U/17 and Open competitions. Her commitment to make herself available for training for both teams and her willingness to keep learning and improving so she wouldn't let anyone down made it quite an easy choice to make. Congratulations Jordy thoroughly deserved.

Thank you to all the wonderful parents who make sure the kids are at trainings and carnivals on time and are always supportive of all our teams. It is certainly appreciated by all the coaches and team members. Finally, thanks to the coaches Nicole, Jake and Jacqui for all your commitment to the teams and keeping up the high standard expected of our Collaroy teams. Hopefully we will have everyone back again next season as we travel over to WA for the Aussie Titles. See you all on the beach next season and take care.

Paul de Kort
R&R Coach

BOARD & SKI REPORT

The 2020/21 season for the Board & Ski section was a little quieter than most years. With the uncertainties of COVID-19 and closure of club facilities through winter, numerous board & ski team members found themselves a little less motivated to train this season opposed to previous ones.

The traditional 'Fast Five' carnivals were again held by Newport and Palm Beach before Christmas. Sam Ruban and Harvey Monnock flew the red flag at these early carnivals, getting in some much-needed racing/ training before the main carnivals after Christmas. Sam continued racing in the new year, competing at the Manly and Freshwater Australia Day weekend carnivals, as well as Dee Why and North Curl Curl 'Fast Fives'. Sam was a regular in the U19 ski finals at each of the events.

The Branch Titles for water were held at Palm Beach. Sam Ruban competed in the U19s single ski and came away with a 5th place in the final. Brooke Perry competed in the female master's 30-34 age group, earning a silver medal in the board race. Unfortunately, due to a swarm of blue bottles many of the master's water events were cancelled.

The NSW State Titles were held up at Blacksmiths Beach. Again, Sam Ruban and Brooke Perry raced the red cap in the water events. Sam competed in the U19 and Open surf ski events, while Brooke competed in the female masters 30-34 age group events. Sam raced well and made the semi finals of the U19 single ski. Brooke earned a silver medal in the tube race, came an unlucky 4th in the surf race and was also a state board finalist, finishing a respectable 7th.

The Australian Titles for Open and Masters water events was located at Maroochydore Beach on the Sunshine Coast. Brooke Perry had an outstanding Australian Titles competing in numerous water events. Some of Brooke's results in the female master's 30-34 age group included a 6th in the 2km ocean swim final, 9th in the surf race final and 13th in the board final. Matt Gittoes and I competed in the men's 35-39 age group. Matt finished 6th in the single ski final, while I came away with a silver medal in the same race. We then teamed up in the double ski to finish 6th in the final. Both Matt and I also competed in the open men's competition, earning a semi final berth in the men's double ski.

This year, the recipient of the Board & Ski award is Brooke Perry. Brooke is a long-time member of Collaroy club, a Distinguished Service Member who has, and still does, compete in multiple sections for Collaroy. Brooke thrives in the Masters water events and continues to achieve tremendous results each season. Brooke is also still an active patrolling participant on the beach as a long service member. For these reasons, I chose Brooke as the recipient of the Board & Ski award for 2020/21. Congratulations Brooke!

Like most years, I cannot do this role on my own. There is enormous help from numerous members of the club throughout the season. In particular, I would like to thank Reece Bosward, Matt Gittoes, Nick Ruban, Steve Green and the Collaroy

Executive and General Committee for the assistance and support they provide to the Board & Ski section each year.

Well done to all the other sections of the club this year. It was another successful season for the Collaroy Club.

Gregg Armstrong

Board & Ski Captain

MARCH PAST REPORT

Over the past 12 months and the cancellation of many events it was a very disrupted and shortened March Past Calendar this season past. To all our members and their families we hope you are continuing to cope and enjoying good health and you are not being too badly affected; keep in mind the club is like a family and we are all there to support each other.

As was for last year all of the major carnivals were cancelled for March Past due to either no beach available as a result of storms or COVID-19 restrictions. The Ladies managed to have one march at Freshie in January which resulted in a win to the Ladies. This was the only competition prior to the branch championships in February and then the Aussies in late April.

At the end of last year's report Greg mentioned that SLSA had to delay the 2020 celebration of 100 years of March Past, as well as the 40 years of women in Life Saving. These fortunately were celebrated at this year's Aussies and it was a great spectacle to see over forty March Past teams on the beach early on Saturday morning on the Sunshine Coast.

Unfortunately, due to COVID-19 restrictions and other extenuating circumstances, there was no Nippers March Past Team this year. Coach Millie Suters is hoping to resume training in time for next seasons competitions.

This year celebrates 100 years of March Past competition. The following short report was presented at the Australian Titles, and outlines the event history.

SLSA MARCH PAST – EVENT HISTORY PREPARED IN 2020

**(Written by Gary Cook National March Past Advisory Panel
Chairman with Research Assistance from Phil Mc Gibbon,
Life Member SLSA)**

It is widely thought that the SLSA march past event evolved from servicemen in surf clubs returning from World War 1 being used to marching behind their regimental and battalion flags. It has been voted one of the most successful and popular publicly watched events in the history of surf life saving competition.

The first SLSA Australian Championships were held at North Steyne near Manly beach in Sydney in the 1919-1920 season.

March Past Teams on Aussies Podium

There were introductory competition events including surf boat teams, surf teams, beach sprinting and of course a march past grand parade.

At this event there were 10 march past teams comprising of 20-man teams made up of two lines and a surf reel their competition gear, each team in the colours of their respective clubs. The results of that first competition was Cooks Hill 1st from the Hunter branch NSW, Cronulla 2nd from the Sydney branch NSW and North Steyne 3rd from the Sydney Northern Beaches Branch NSW.

March past competition has continued for 100 years reaching this milestone in the 2019-2020 season, changing little except for the team formation in the 1927-1928 season with 3 backlines and down from 20 members to 12 with 1 backline in 1952. The inclusion of female members started in the early 1980s plus the introduction of under 23s and under 17s in 2007 which were then combined with Under 23s in 2019.

Even today march past maintains the growth of club spirit, mateship, the carrying of the flag, the club colours consolidating the trademark of surf lifesaving in Australia and around the world.

March past competition provides a platform for discipline and club spirit throughout surf clubs in Australia, consolidating its long and successful history and future.

COLLAROY BEARS MARCH PAST REPORT

The Bears hibernated late into the season due to no competitions and the Christmas Break (me thinks they were basking in the glory of being the current State, Aussie and World Champions!!!) With very little opportunity to compete training was kept short and sharp as we struggled to get a full team on the beach every Tuesday.

The traditional Australia Day weekend carnivals were also changed a number of times and unfortunately in the end we could not put a team together due members accepting other commitments during the confusion.

The Branch was held at North Steyne on Feb 14 and didn't go without COVID-19 having an effect. However, we were able to march and Greg Broome, our utility player, was able to cover and the results were Bears remain the Branch Champions. We also managed the quinella with the Ladies coming a close second.

With the disappointment of not being able to defend our National Title last year the Bears were keen to keep the bragging rights against the Ladies. Training tempo intensified in March and our Fly In member Pete MacMahon even managed to complete two training sessions without COVID-19 quarantine. The lads were doing good work on the track and were feeling good in preparation for State. Unfortunately, this was cancelled at short notice and so our focus shifted to the Aussies.

With the honour of defending their Aussie Title the lads put

in a solid few day of training (they are elite athletes) and put on a strong performance on the Saturday. The results for the club were fantastic, we finally achieved the quinella. We had managed 1st and 3rd a couple of times but this is the first 1st and 2nd result for Collaroy.

For the Bears it was not the way around they necessarily wanted with the Bears picking up silver (still a fantastic achievement) but they had to tip their red caps to the Collaroy Ladies who starred on the day and came away with the Gold Medal. Congratulations to Paul de Kort and his team on another very successful campaign.

The team this year was Dave Macintosh, Kenyon McKie, Greg Broome, Martin (Bluto) Bowyer, Tony Aouad, Paul (Plucka) Ducker, Ron (Wrongway) Levy, Barry Muncke, Greg MacMahon, Peter MacMahon, Neil Armstrong, Craig Williams and Gary Milsted. The coaching team this year was headed up by Tim Loone and he was assisted by Greg MacMahon, Greg Falk and Col Newman.

We would again like to thank our long time sponsors JJ Lawson Custom Brokers for their continued support and sponsorship of the team this year.

We would also like to thank Janine Fahey our Competition Director and Registrar. Janine does a great job and the Bears would like to thank her for the job she does so well. We would also like to thank our officials that come to the carnivals and take on judging and other roles. These are Janine and John Fahey, Jeannette and Ray Isaacs, Phil and Anna Mickan, Tara and Andrew Sole, and Maz Troop.

Congratulations to the Collaroy Ladies for making it a successful season and cementing Collaroy's dominance over the last five years of March Past. The Collaroy Club is now equal with Bundaberg for the most Australian March Past Titles, 15. A fantastic effort I think you would agree !!

Go the Roy!!

Yours in Surf Life Saving

Tim Loone

Collaroy Bears

COLLARROY LADIES MARCH PAST REPORT

The Ladies kicked off their season at the Freshwater carnival which saw them come away with a win to get their year off to a good start. The training sessions were very limited at the beginning due injuries/illnesses to Deb and Anne plus with Anna moving to Harrington on the mid north coast and having to commute to Sydney for training. Thankfully Nicole Bridges became an important reserve for the team, and she was able to fill in at various positions so the team could continue training and march onwards towards the Titles.

The Branch was another close tussle that saw the Bears taking

the honours at North Steyne and the Ladies settling for the silver medal. The State Titles did not happen this year for the March Past teams as the weather made sure it was a total washout. Unfortunately, someone forgot to tell Nicole Bridges and she dutifully went down to the carnival in cyclonic conditions ready to compete while the rest of us slept cosily at home.

After a team meeting, it was decided to get some extra training sessions in before Aussies so that they could make up for some lost training times and also give themselves their best chance to succeed. Thankfully, we were able to work around the various training issues and everything started coming together in the lead up to Aussies. After the final warm up session prior to the Aussie final, the Ladies were focussed, relaxed and ready to get out there and do their thing. They showed once again why they are such a champion team when they marched around the arena on 'O' points taking out the coveted gold medal with the Bears team claiming the silver. What a fantastic result to have the two best March Past teams in Australia coming from the same Club.

The Ladies were no doubt ecstatic with the win but none more so than Fran as it was her first Aussie gold medal and she certainly celebrated well into the night with the rest of the Ladies. Congratulations to everyone on such an awesome result and it feels even better when you can celebrate a 'donut'. That is now three gold medals at the past four Australian Championships for the Ladies team and the first Aussie gold using the 'Alana de Kort Memorial Reel' which made it even more special for Jacqui, Jake and me.

A huge thank you once again to John Fahey for his assistance during the season as his vast knowledge and experience in the event has made him an important part of the team's success over the years and his input is always appreciated. Thank you also to Nicole Bridges who assisted me during training sessions and was an extra set of eyes to make sure I didn't miss anything.

The winner of the 'Col Newman Most Outstanding March Past Competitor' award goes to Janine Fahey who has been valuable member of the team for many years and is always committed to giving her best in both training and competitions. Congratulations Janine thoroughly deserved. Well done to all the Ladies on such an outstanding season and see you all again next season...bring on Perth.

Paul de Kort

Ladies March Past Coach

JUNIOR MARCH PAST

Unfortunately, due to COVID restrictions and other extenuating circumstances, there was no Nippers March Past Team this year.

IRB Training at Collaroy

SURF CLUB VS SWIMMING CLUB 20 PERSON SWIM RELAY

The annual Surf Club vs Swimming Club 20-person relay was unable to be held this season due COVID-19 restrictions.

CHIEF TRAINING OFFICER'S (CTO) REPORT

Well what a year it has been! This COVID-19 pandemic has affected all aspects of our lives and Surf Life Saving is no different. Luckily, we in Australia have been able to manage this better than a lot of parts of the world and in the end we have had a close to normal season.

Like everywhere we have had to adjust how we deliver training, and everyone has assisted with making this work. We have also had to do things a little different with how we do skills updates (proficiencies) and this too with assistance and understanding has worked.

At the outset I would like to thank your training team Liz Green, Tara Sole, Marianne Troop, Andrew Sole, Clive Thompson, Karla MacBean and Phil Mickan. Phil has moved up the coast but is still wanting to try and help out where he can. We also have some great trainees who have helped out. Tara Ellevsen, Alex

Fiedler, Jye Tattersall and Archie Veisis and hopefully they will do the course shortly to become full trainers.

Even though the above looks like we have quite a few trainers we unfortunately do not have enough. We are in desperate need of some more trainers. I know we have some members of the club who are currently holders of the Cert IV In Training and Assessment or similar qualifications.

These members would not take too much to become trainers in SRC/Bronze and Advanced Resus and your assistance is urgently needed. I ask each of you to consider joining the team and assisting with Life Saving Training.

This season we have completed 17 SRC, 18 Bronze, 14 IRB Crew, 4 IRB Driver, 9 Advanced resus and 6 Silver Medallion Beach Management. Given the restrictions and the ups and downs this is a pretty fair effort. In the 2021/22 season we need to convert as many of the IRB Crew as we can to drivers.

Training will continue over the off season so please keep your eyes open for courses. Don't forget if everyone has the awards we need to fulfil our patrol obligations you would be doing half the time that you are now on patrol so well worth making the effort to get the awards.

In closing I would also like to thank Janine Fahey for her assistance with the checking and sorting of memberships and the online reporting that goes along with the awards. Janine's help is invaluable and very much appreciated.

Yours In Surf Life Saving

Greg MacMahon
CTO

SPONSORSHIP REPORT

Our recent season began roughly 9 months after the WHO first announced a "Mysterious Coronavirus-Related Pneumonia in Wuhan, China", and with us considering as a Club what normal activities and annual events we might be able to conduct, given the restrictions already imposed and what might unfold leading up to Christmas and the New Year.

Consequently, our annual Ocean Swims event and fundraiser was cancelled in early November as was our largest single fundraising event, the annual Golf Day on the first Friday in January.

Disappointingly we were also advised by the Nine Network that their community sponsorship program of Surf Life Saving Clubs was to be discontinued due to their revenue challenges. This sponsor partnership was worth \$10,000 per year to us alone.

So, suffice to say our 2020/21 season did not begin with the usual financial base we were used to.

Our fortunes were boosted however by some great news which very positively impacted a major project the Club had committed to for the complete upgrade of our AV system. With the generous backing and technical involvement of Pro AV Solutions, especially Anthony Jeffcoat, our entire AV system and functionality was radically transformed at absolutely no cost to us. Thanks also to Tony Aouad who oversaw the works from our Club's point of view. The estimated financial win to our Club from Pro Av Solutions subsidisation of the project was approximately \$40,000.

We are immensely grateful to Anthony and his team at Pro AV Solutions for their outstanding contribution to the betterment of our Club facilities.

Spearheaded by our President, 'Broomie', a complete refurbishment and upgrade of the Club gym was planned and undertaken during the season. Our members and competitors now enjoy a much safer and very well-equipped training facility due to the efforts of many dedicated people. Particular thanks to John Felton, a Club member and our 'consulting' Senior Exercise Physiologist, who was instrumental in the gym design, equipment selection and procurement process. Great job John and many thanks for your expertise and time. John and Broomie were also well supported by a team comprising Steve Heffernan, Peter Hussey, Tony Aouad, Mick and Matt Bullivant, Doug Patrick, The Blue Oysters, Bailey Dwyer, Tyler Stowe, Charlie Jormanainen, Zak Crowe, Mark Anderson and Scott Macqueen. Well done guys...great result!!

A delayed Golf Day was finally held on 16th April at Long Reef Golf Club. Despite the frustration felt by all that we had postponed our January date, our loyal sponsors, players and event supporters rallied to contribute to our most successful result ever, with net fundraising of circa \$21,000 being achieved.

Our sincere thanks and appreciation are again extended to our event sponsor McWilliam's Wines Group, who we trust will maintain their long association with us beyond the new business

ownership arrangements.

Our fundraising result was also substantially supported by our record number of Hole Sponsors.

We sincerely thank Home on Darley, Vergola NSW, AJ Aluminium, Vision3 Windows & Doors, Sargood on Collaroy, DJG Carpentry & Constructions, Polo Smash Repairs, Seadrift Distillers, Never Stop Water, World Wide Coding Solutions, Solatube Home, Whittaker Civil Infrastructure, GJ Financial Services and Wagecover Australia. Well done to Luke Eagle and the Wagecover team on winning the overall golf event!

Special thanks to Brett Sandvoss who generously donated his personal helicopter and services as pilot, which we auctioned as the major item during the luncheon. The Beaches and Harbour Scenic Flight Experience fetched \$2500 from an excited bidder in Craig Williams. Great result all round.

Other generous supporters/donors of the event were Piranha Golf, Coopers Brewery, Bayview Golf Club, Long Reef Golf Club, Home on Darley, K&S Gavin Catering Supplies, Cromer Golf Club, Twin Creek Golf Club, Gurtaj Indian Restaurant, Solatube Skylights, Harrington Golf Club and Vintage Golf Club.

Well done to the Golf Day Organising Committee, being Martin Bowyer, Greg Broome, Darryl Gilmartin, Luke Hochkins and Graham Hart.

Being the largest competitive section of our club, there is always plenty of activity and associated funding relating to our Boat Section. Yet another additional surf boat, with oars and trailer was required this season to support our developing and competitive crews and we luckily found a well-priced 'as new' boat from Queensland. To their credit the leadership group of the Boaties coordinated the acquisition, transportation and renovation of the boat, for it to become a true member of the Collaroy fleet.

Our sincere thanks to the following loyal boat funding sponsors. RFM Constructions, Upstate, Wagecover Aust, Vision3 Windows & Doors, Multisparx, PMC Property Buyers, McWilliam's Wines, Kaipara Property Group, Macintosh Foundation and The Flying Herons NZ.

Many thanks also to Scott Macqueen again for his skilled work and patience to design and arrange the boat sponsors signage.

During the season many of our boats and crews competed again in events other than regular club carnivals, namely Ocean Thunder and the Collaroy Young Guns.

Under changed circumstances, alternative funding had to be sourced to cover the entry fees for boats and crews in the Ocean Thunder series. Once again the leaders of the Boat Section took on the challenge and secured the required funding, ensuring our Club's scarce funds could be preserved to meet vital general expenses for the year.

We greatly appreciate the financial contributions generously provided to enable our crews to compete and hone their skills

Greg Broome, Pro AV Team, Craig Thomas

in the Ocean Thunder series. Funding was provided by RFM Constructions and the Garricks crew, Box Electrical and the Giants crew and Multisparx Electrical with Streamlined Kitchens partnering to enter the Big Macs. Well done to you all for a fabulous self-funded campaign.

Our annual Collaroy Young Guns Carnival was successfully run and fully hosted this year by Collaroy SLSC. As such, we sought an event sponsor/partner to assist us with the costs associated with competitor apparel, winners' medals and other event expenses. We gratefully accepted the support sourced by Will Hosking and provided by HL Landscapes, which underpinned the event and ensured its success. Thank you HL Landscapes and we trust you benefited from partnering with us.

Our thanks also to Graham McDonald and Coopers Brewery for their generous support of the event, especially the post racing hospitality enjoyed by all in the Club bar.

Whilst COVID-19 restrictions generally curtailed much of the usual function and social activity that would occur during a normal season at our Club, the occasional event did take place, enthusiastically supported by Luke Hochkins and our team of bar staff.

Many thanks to our beloved Blue Oysters 'High Performance Training Group', who ran a well organised and attended social event/fundraiser, which generated valuable funds for our Club.

The boys were also on hand as usual as volunteer labour for our Golf Day and throughout the season whenever we call on them for tasks and favours. Cheers Fellas!!

Also supporting our Club activities and volunteer services were many neighbouring businesses, whose generosity we greatly appreciate and wish to recognise.

Thank you to Rob and Cindy at Taste Espresso, Andrew and Pat at Exquisite Thai Collaroy, Sumit Singh at Gurtaj Indian Restaurant Long Reef, Mario and Tony at Alimentos Pizza Café, John and Helle at Collaroy Kitchen Centre, H&R Block

Narrabeen, Lamb & Walters Strata Management, Best Capital Australia, Divi Home Loans and Collaroy Dental.

Our Club is extremely fortunate to be associated with so many people, businesses and organisations who readily support all facets of what we do as a Club and as individuals. We thank them all for their contributions towards ensuring Collaroy SLSC remains viable and successful.

As is customary, a separate page in this Annual Report is dedicated to listing all our loyal and fabulous Sponsors and Donors. Please review it and take every opportunity to thank and do business with them as you can.

Barry Muncke
Sponsorship Officer.

IRB REPORT

Inflatable Rescue Boats (IRBs) remain an important part of our patrolling and rescue equipment in our efforts to maintain safety at Collaroy.

Some quick statistics from SLSA

- Of 40,170 Bronze Medallion holders this season, 14,321 have the IRB crew certificate and 7,571 hold the Silver medallion IRB driver qualification
- There are 1141 inflatable rescue boats (IRBs) in clubs around Australia
- Of the 7,731 recorded rescues this surf season, IRBs were used 22% (~1170)

Andrew Sole.

A Bar Mask

Venue Managers, Kate Dampney and Luke Hochkins

VENUE MANAGER'S REPORT

What a weird season. We started with a COVID-19 lockdown, then we were allowed to reopen with massive restrictions on what could happen inside the venue – No standing, No queuing, only 50 people allowed in at any one time, it went on and on, and of course the worse one – no functions!

To combat this, and to assist in taking the pressure off other venues in the area that were restricted as well, we opened more often than usual. As the restrictions began to lift we reduced the opening back to our regular Sundays and the occasional Friday night footy game.

In August we, along with numerous surf clubs hosted the 24 hour row for mental health. All sections of the club from nippers to boaties to March Past turned up to have a row, with some massive undertakings by members including two who rowed 1 hour straight from 2am until 3am. The total meters rowed by Collaroy members and friends was enough to get via road from Sydney to the Gold Coast – well done to all involved.

State of Origin was again a success (albeit restricted numbers and trying to keep Pluto seated during the game was hard work), and in October restrictions were finally lifted to enable us to take external bookings once again. The delayed AGM in November was also a success, albeit restricted in numbers due to the restrictions in place at the time.

The licensed venue restrictions were changing sometimes it felt daily, numerous hours were spent reading changes in legislation and preparing new COVID-19 safety plans every time a change came in to ensure that our patrons were kept safe.

Post lockdown we had Pro-AV systems install a wonderful AV system, which included new TVs, new microphones, speakers and the ability to WiFi, Bluetooth and click share documents,

music or anything from a laptop onto the TVs and speakers. Thanks to Pro-AV and a sponsorship deal, this came to the club at a very good price.

Bookings were very slow to come in due to everyone being cautious but come November and December bookings were looking good due to Christmas parties. This was until the 17th of December, where the Northern Beaches COVID-19 outbreak saw all licensed venues in our area shut down for three weeks resulting in us having to cancel numerous bookings, the club Christmas Party, the Golf Day and reset all our COVID-19 safety plans.

Once the restrictions were lightened for a second time, we started taking bookings again and things started looking up for the venue, the revenue stream has now become vital to club operations having lost so many sponsors due to COVID.

Thanks to Coopers brewery for their ongoing support and local restaurants Alimentos Pizza, Exquisite Thai and Gurtaj Indian for supporting our club functions with food.

Hopefully, the worst of it is over, and we will see you all at the bar for a drink or two at some stage during the oncoming season.

Cheers,

Luke Hochkins

TOURING TEAM MANAGERS REPORT – AUSSIES 2021

What a difference a year makes. We all hung on with 'bated breath' waiting to see if we would be able to travel for Aussies 2021. The borders stayed open and over 140 Collaroy Team members, friends and family finally got to see another State.

What a week the Sunshine Coast of Queensland put on for us. Weather was magnificent and the ocean was like a mill pond – much to the disappointment of nearly everyone!

Collaroy finished 21st on the Club point score. A tremendous result as there were 315 competing Clubs!

At this year's Aussies Collaroy won the following medals:

4 Gold Medals*

6 Silver Medals*

7 Bronze Medals*

*(Please refer to results section for details)

This year our Boats contingent comprised of 5 Boats and 14 Crews. Boat Captains Jess Layton and Will Hosking keeping everyone apprised of happenings every day via some well-crafted messages. These were passed onto the Touring Party and a few interested members down south.

The Masters competitors were the most successful section so far as results go. Special mention should be made of Kerry Armstrong and her results.

The Team Dinner was held at Club Mooloolaba. Once again it was a great night. Collaroy really comes together as a Club at this function with all sections interacting and having a great time. I have to retire as I am too old for the mandatory scull by the Boaties!

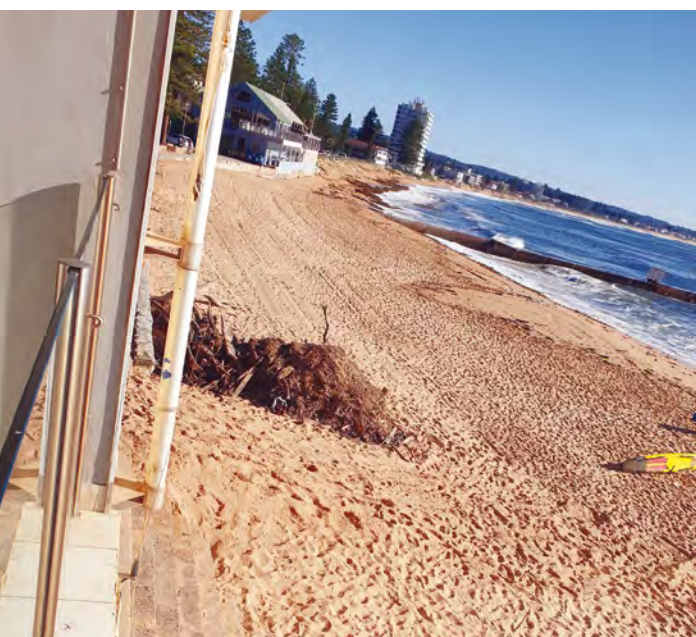

I would like to thank the following people for all their assistance at this year's Titles:

- Tyler Stowe and Kelly Trim – Team Captains
- John and Janine Fahey – Officiating
- Anna & Phil Mickan – Officiating
- Janine Fahey - Entries
- Dougal Forsyth – Water Safety
- Everyone who towed a trailer
- Geoff Small for historical references at Team Dinner

Go the Roy

Bluto (Martin Bowyer)

COLLAROY'S 100 YEAR HISTORY OF AUSTRALIAN CHAMPIONSHIPS 'AUSSIES' PARTICIPATION.

The 2020 Australian Championships, "The Aussies", would have been Collaroy's one hundredth (100) year of continual participation, excluding WW2 1941-1945.

When Australia and the world were affected by the COVID-19 pandemic and subsequent lockdown, the cancellation of the competition ceased the 100-year celebration for both our club and S.L.S.A., as events such as the Open March Past and the Open Beach Sprint were also to celebrate this milestone.

Thankfully, a year on and with the pandemic in check, the 2021 Aussies were held on the Queensland Sunshine Coast during April this year, under various restrictions.

Towards the end 2019, I was approached by our Touring Team Manager, Martin (Bluto) Bowyer, and asked if I could collate the medal tallies of our competitors over one hundred years of national competition, as he would like to include these facts and acknowledge the milestone at the annual Touring Team Dinner, held at the conclusion of the competition on the Sunday evening.

Recognising what Bluto was trying to achieve and with my interest in the club's history, this opportunity was too good to decline. Although daunting to undertake, the following is the result of my investigation:

"The more I researched our limited resources and available documents, the less I seemed to know. Annual Reports, our book 'Vigilant and Victorious' first published twenty-six years ago in 1995, books relating to Surf Life Saving such as 'Gladiators of the Surf' by Barry Galton, were not abundant with this vital information. For the sake of accuracy, I am immensely indebted to SLSNSW and SLSA historian Manly's Ray Petersen for filling in gaps to provide you, the reader, with an accurate account of our clubs' results at the Australian Championships over the past century.

You will note that I have mentioned 1920 as our first foray into this Australian level of competition at Manly / North Steyne Beaches when all Australian clubs were invited to participate.

Opinions are divided as to when the first Aussies were held – some agree on 1920, others and the majority prefer 1915 prior to the disruption of the Great War years 1915-1919. The reason for this division of opinion is that as only NSW clubs participated; it was not a true reflection. Another title was 'Association Championships'.

With the introduction of Queensland clubs this led them to be invited to participate in National competition leading to the formation of the Surf Life Saving Association of Australia in 1922.

Before detailing the facts of Collaroy's Aussies participation, the following is an account of what transpired at the first 'Association Championships' held on Bondi Beach, New South Wales, commencing at 3 pm on Saturday, March 20th, 1915.

Approximately 400 lifesavers were in attendance. Due to the rough seas and atrocious conditions on the day, a postponement was considered:

Clubs in attendance and in order of the Grand Parade were –

- Collaroy Surf and Lifesaving Club
- North Bondi Surf and Lifesaving Club
- Mereweather Amateur Swimming and Life Saving Club
- Dee Why Life Saving and Surf Club
- Clovelly Swimming and Life Saving Club
- Cronulla Life Saving Club
- Bondi Bathing Life Saving Club
- North Steyne Surf Bathing and Life Saving Club
- Freshwater Surf and Life Saving Club
- Manly Life Saving Club
- Coogee Life Saving Club
- Balmoral Beach Life Saving Club
- Cooks Hill Surf and Life Saving Club

Admission to watch was 1/- (10 cents); chairs were 6d (5 cents); there were five events with only two recognised as "official" – that of the Open R&R and the Open Surf Race. The other three of Beach Sprint, Beach Relay and Surf Board regarded as demonstration or display events.

Bondi won the R&R with Cooks Hill runners-up – the trophy was a lifesaving belt valued at 21/- (a guinea or \$4.10). J.G. Brown of Bondi won the surf race and all other competitors were disqualified for failure to finish.

The following section details Collaroy's 'Aussie Competition Championship History 1920-2020.

This detail is included within this annual report, not only for those who may not have been at the "AUSSIES", but for those interested in the facts and the historical document significance.

Geoff Small

Life Member.

1920-2020 - 100 YEARS OF AUSTRALIAN TITLES

First Medals in Competition

Listed below are the first Collaroy medallists in the respective competition disciplines at the 'Aussies'.

YEAR	MEDAL PLACING	EVENT	COMPETITOR	OTHER NOTABLE FACTS
1920	Gold	Open Beach Sprint -	Jim Mcmanamey	Collaroy's First Ever Aussie Championship Medal 2nd In The Event Was Collaroy - Athol Sheldon At These Championships Collaroy Achieved Our Highest Ever Overall Club Champion Placing Being 3rd Behind North Steyne and Manly.
1920	Silver	Open Beach Relay	W (Bill) Forbes, Jim Mcmanamey, John Mcmanamey, Les Quinn, Les Mclellan and Athol Sheldon.	
1920	Bronze	Open Surf Boat		
1921	Silver	Open March Past.		
1922	Gold	Open Surf Belt Race	Ralph Chequer.	
1951	Gold	Open Beach Flags (Then Called Musical Flags)	John Tenison.	
1966	Gold	Junior Surf Race	Brook Worthington.	
1991	Bronze	Over 40 Iron Man	Ben Hutchings	* Also, Clubs First Masters Medal
1994	Silver	Open Surf Ski Relay	Ross Chaffer, Shane Suska and Luke Bermingham.	* First Open Board and Ski Area Medal
1998	Silver	35-39yr Womens Beach Flags	Sue Hart.	Sue Is Our Club's First Ladies' Medallist – See Below.
1998	Silver	Cadet (U16) 5 Man R&R	Stephanie Kidd, Kylie Hunter, Renee Springall, Carlie Fowler & Alicia Jones	* They Were Both Our First Open Ladies Medallists and Our First R&R Medallists
1999	Silver	35-39 Yr Masters Rescue Tube	Jenny Bosward.	
2005	Bronze	U15 First Aid	Jessica Hart & Katie Birtwistle.	
2006	Gold	Open Ladies Malibu Board Riding	Jane Ensor	

Points of Interest

* Some records say that Bondi SLSC hosted our first Australian Championships in 1915 – however records vary including the championships being called the NSW Championships as only NSW clubs competed. Following a break of 4 years due to WW1 competition resumed in 1919 and the first official Australian Championships was held in Sydney at Manly/North Steyne beaches during March in 1920 with every Australian club invited to attend.

WOMEN IN SURF LIFE SAVING

- 1980 introduced women officially to all aspects of Australian Surf Life Saving.
- In competition Collaroy's first female medallist was Sue Hart at 'The Aussies' at Kurrawa Beach, Qld in 1998, when she won silver in the 35-39yr Female beach flags.
- Later the same day Terri Montgomery won silver in the 35-39 yr Female beach sprint. As mentioned above, our cadet R&R team won the clubs first open ladies medal later in the same championships.

SLSA Australian 100 championship years results

(not our formation which was 9 years earlier in 1911).

100 YEARS OF AUSSIES MEDALS

Collaroy Medal Breakdown;

1920 - 1990 = 70 years = 90 medals won

1991 - 2020 = 30 years = 287 medals won.

The table below summarises the total medals won by Collaroy competitors from 1920-2020.

Medals by Event Group – 1920-2020	Gold	Silver	Bronze	Total
Beach Events (All disciplines)	47	59	43	149

PREMISES COMMITTEE REPORT

Due to the COVID-19 pandemic, our club AGM was held on November 29th, 2020, meaning that this report is now only eight months long instead of the normal twelve months.

Following the AGM, the Premises Committee 2020/21 remains with the same personnel. Therefore, the committee members are Doug Patrick, Tyler Stove, Darryl Gilmartin, Steve Green, Gerry Cooney, Graham Hart and Geoff Small. Steve Heffernan remains as the Gym Manager.

As Graham and Sue Hart had a pending Aussie Road trip, Graham stood down as committee secretary at our first meeting. Gerry Cooney took on the role and with his background in administration, did an excellent job, presenting accurate monthly minutes.

Whilst the pandemic lockdown could have put a halt to the repair or replacement of any major items, much was achieved during the period.

1. Some eighteen months ago, the air conditioning unit in the caretakers flat called time. This did cause a degree of concern as although still under warranty, the manufacturer and supplier Hitachi advised that certain parts badly corroded due to the outdoor location and exposure to salt air, were not covered by warranty. Club member and sponsor Ryan Halangahu of Multisparx Electrical and Air Conditioning gave the club an excellent price to replace the air-con unit.

Ryan also ensured all corrosive sensitive electric parts were given an extra protective treatment. This will ensure that the tenants of the caretaker flat receive many years of comfort and service.

2. When our NSW State Government stipulated gyms were included in many premises and businesses to close, we realised that to reopen would include changes to hygiene and sanitation procedures. We were given a perfect opportunity to completely refurbish the gymnasium, refresh the room and replace the old, tired and rusting equipment. The carpet tiles were cleaned, Doug Patrick prepared the rough walls for painting. Mike and Matt Bullivant undertook painting the walls and ceiling. Under a generous sponsorship arrangement, they gave the club a large discount. Greg Brome worked in with John Felton who designed a new gym layout and through contacts in Melbourne, arranged new equipment at a discounted price, all up around \$40,000.00 was spent. Whilst the gym was still closed, the equipment arrived in stages allowing the refurbishment to be almost completed for the gym users to enjoy when the gym reopened.

3. As mentioned in last years' Annual Report, we were looking to upgrade the clubs' first floor IT room and entertainment facilities. This was to include a new AV system incorporating new ceiling speakers and T.V. in the hall, available to hirers of the premises.

On behalf of the Premises Committee, Greg Broome took

Gym Build

control of this project. Installed during August-September 2020, this upgraded system is a major enhancement as an educational tool for our Chief Training Officer. It was “trialled” during our Bronze Medallion training week with great success. We would like to thank Anthony Jeffcoat and the team at PRO AV Solutions in Frenchs Forest for their generous \$50,000 sponsorship, which resulted in the club outlaying only \$11,000 for the \$61,000 job. This timely sponsorship came at a time when, whilst in lockdown due to the pandemic, we had little idea as to the uncertain future of some sponsorships.

4. Following the conclusion of the patrolling season at the end of April, Northern Beaches Council had their contractors complete necessary remedial work on the concrete cancer under the northern end of the building and on the promenade pillar. Whilst completed by the end of May and sealed for protection, the areas will be painted in August.
5. After a few years of procrastination, the large and old double glass door refrigerator in the AV room was finally moved – thanks due to the boaties’ strength of Tyler Stowe, Charlie Jormanainen and Bailey Dwyer. Whilst still on the first-floor landing, Steve Green has removed all the gas and when we rally the troops, it will be off to the tip. In its’ place, Daniel McKie has installed four door cupboards which looks tidier and provides ample room for the Venue Manager to store product.
6. A continual leak around the skylight in the hall when it rains has caused no end of frustration and concern for the council and damage to the parquet floor. This resulted in the need for contractors to replace a large section of the building’s roof earlier in the year which has finally alleviated the problem and as I write this report the building is now leak free.

Works to commence after the Annual Report goes to print –

Replacement of all windows, louvers and doors onto the balcony. Hopefully, this \$20,000 cost will be met by council and the job awarded to Craig Thomas’ Company A.J. Aluminium.

During July we will be removing the carpet in the lounge and replacing it with a timber floor. Carpet Connect have been awarded the contract.

During August, council will be completely repainting the building exterior apparently in a cream similar to that existing.

Quotes are currently being assessed for the complete sanding and polyurethane coating of the parquet floor in the hall.

During September, council will complete the large ramp and stairs to the sand between the club and the rock pool. When complete, this will provide beach access for the disabled and enable our IRB’s to be more easily launched.

For the past eighteen months, Gerry Cooney has researched for the most efficient and economic solar energy system in order that the surf club may reduce its’ annual electricity bill of approximately \$10,000. Gerry has obtained a grant from SLSNSW and is currently working on another financial option from SLISA. Once the three obligatory quotes have been submitted, we will be well on the way to gaining the necessary club approval to proceed.

Whilst it could be three years away due to funding, the proposed north facing balcony has been approved in principle by Northern Beaches Council, who are currently obtaining a marine safety report before publishing the intent to the public for comment. This project will be a council undertaking.

The long-awaited signing of the new twenty-year building lease with the Northern Beaches Council is moving towards signature by Northern Beaches Council. The club Honorary Lawyer, Paul Armstrong is assisting in clarifying the jargon of the legal document. Prior to the signing, it is the intention to meet with senior club members to ensure club specific maintenance will be adequate for the needs of the surf club for the stated time frame. This document comes after some four years of haggling and one year since expiration of the previous 20-year lease.

There are a few thank yous –

1. I would like to acknowledge Barry Muncke, our Sponsorship Officer and Premises Committee – Secretary, Gerry Cooney, for always taking note of any financial grants made available from SLSA, S.L.S.NSW or our State Government, in order to minimise club outlay. Any successful application assists our expenditure greatly. Many thanks to you both for your perseverance.
2. As previously mentioned, the refurbished gym is up and running under the Stewardship of Steve Heffernan. Steve is currently enjoying an Aussie Road Trip and, in his absence, Doug Patrick is wearing the gym manager's hat. The Premises Committee would like to thank Steve, Doug and generous club sponsor Kieran Gavin for the ongoing generosity in supplying relevant product for the gym and the club at a moments' notice. Finally, to the "Blue Oysters" gym group and other enthusiastic 'golden oldies' gym and club users, thanks for your contribution to keep the environment and equipment welcoming for those who exercise there.
3. Signwriter Jamie Crichton continues to sign write and update our Honour Boards. Jamie works closely with the Premises Committee ensuring all boards on the lounge wall are current and professionally presented.
4. Thanks to Nipper Chairman Craig Thomas (A.J. Aluminium P/L) for continuous maintenance of the soon to be replaced balcony doors and windows. We are all grateful to Steve Green (Steve Green Plumbing), who looks after all plumbing issues promptly, sometimes at a moments' notice. Builder Darryl Gilmartin (DJG Building Services) attends to the carpentry needs when matters arise and Ryan Halangahu (Multisparx Electrical) attends promptly to any electrical matters. We say thank you to these gentlemen for their service, their professionalism and continued support of the surf club.
5. I would like to acknowledge the Facilities Support Team at the Northern Beaches Council of Donald Gibson, Nigel Hart and Brian Eastburn for their co-operation and immediate assistance when items under their jurisdiction require attention. Unfortunately, with our building being over seventy years old, the combined effects of age and salt air continue to cause failure of fittings – to Donald, Nigel and Brian, we thank you for the respectful manner in which from a clubs' perspective, repairs are completed promptly.
6. Thanks to the club's Expenditure Review Committee (ERC), who monitor large expenditure items requiring to be purchased; the Executive and General Committee for

supporting our recommendations, necessary repairs and items for purchase; to our Club Treasurer, Stuart Spencer, who pays the bills and with whom I work closely. Stu also works closely with the ERC and on behalf of the Premises Committee – thank you all for your enthusiasm, support and co-operation.

7. I would again like to thank our club caretakers Jon Hynes and Amy Ryniker for their continual commitment in cleaning, maintaining, and securing the club premises on behalf of the membership, which at times can be under difficult circumstances. In addition, I thank them for their ongoing working relationship with the Premises Committee. It is greatly appreciated.

In conclusion, I want to express my thanks to all members of this committee – Steve, Tyler, Gerry, Doug, Darryl and Graham (who likes to keep in touch whilst on his road trip) – for your willingness to be involved, your support, hands-on contribution and that most important ingredients being enthusiasm.

For fear of omitting someone from this acknowledgment of thanks – to all club members who put their hand up to willingly assist – thank you for the wide range of fields covered by your expertise, enabling our old building to be maintained and to function as we would envisage.

Geoff Small
Chair, Premises Committee 2020-2021

FIRST AID REPORT

I would like to thank Liz Green and Greg McMahon for their amazing support and hard work.

The first aid team worked hard to ensure we were available to provide first aid at carnivals and events that were held at Collaroy.

We have the 2021/2022 season to look forward to and I for one can't wait to get stuck back into it! Stay safe and well everyone and again 'thank you' for all you do in our community.

OBITUARIES

Due to the CoVid-19 pandemic delays in the prior season we, as a club, are experiencing a shortened operating year, so it is quite a blessing to be able to report that to the best of available information, we have no member bereavements on which to report or document.

However, many members, supporters, sponsors, and friends of the surf club have indeed experienced ill health, surgery, sadness and extended family bereavements over this past year. In these testing times, the Club's Executive and Membership extends condolences and trusts that where possible, a return to full health is forthcoming.

I would like to take this opportunity to record our support to long standing Active Senior Member Scott McMurdo who, as a current Patrol Captain and with his teammates, is a winner of numerous medals at all levels of competition in the Beach Relay and Beach Sprint events.

On November 3rd, 2020, Scott's father Terry lost his long battle with illness. To his wife Jill and Scott's brothers Adam and Dean, the membership extends their condolences on the passing of Terry, a quiet man who would often be seen enjoying his walks around the Long Reef Headland or the ambience of Collaroy Beach.

On a happier note, to all those newly engaged, married, or acquiring parenthood or that of Grand Parents by welcoming a child into their family, we offer our warmest congratulations and hope one day to see them don the red cap of Collaroy.

Geoff Small
Vice President

FINANCIAL REPORT

The Club recorded an accounting loss of \$32,025 for the year ended 30 April 2021. The Clubs Current Assets decreased by \$26,093. These results are disappointing but not unexpected.

It was anticipated that the Corona Virus would affect the ability of the Club to raise funds and this was the case. Usual activities such as the Ocean Swim, Comedy Night, Ladies Day, Bowls Day, BBQs, and the weekly Beach Club raffle were all impacted negatively by approximately \$24,000. We also received approximately \$5,000 less interest than last year on our term deposits due to the decrease in rates.

On the plus side, we did raise more money from the annual Golf Day than expected (approximately \$4,000), and the contributions we received from Donations, Sponsorship and Grants remained steady thanks to the efforts of our Sponsorship Officer and the Committee.

The Club participated in the Aussie Titles during the season which obviously meant these costs were higher than the prior year when the Titles weren't held (\$8,000). Expenditure was down on electricity and gas during the year (\$5,000). There were decreases in the net amount spent on Repairs and Premises Equipment (\$31,000) even after investing \$10,000 in a state-of-the-art audio-visual system. Thanks to Pro AV Solutions for the significant sponsorship they provided on this purchase.

The Club made significant investments in its future during the year;

- the Gym has been renovated extensively complete with new equipment (\$38,000),
- another surfboat and trailer were purchased (\$16,000).

Jack McCann and his staff at McCann Accounting have audited the accounts in their normal professional and prompt manner and I thank them for this.

I would also like to thank the Executive, General Committee, Expenditure Review Committee, Premises Committee, Junior Committee, Janine Fahey (Registrations and Carnival Entries) and Luke (Venue Manager) and all members who have helped with the functioning of the Club.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
COLLARROY SURF LIFE SAVING CLUB INC.
ABN 66 023 772 886
YEAR ENDED 30 APRIL 2021**

Report on the Financial Report

I have audited the accompanying financial report of Collaroy Life Surf Saving Club Inc. (the Association) which comprises the Statement of Financial Position as at 30 April 2021, and the Statement of Financial Performance for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the Association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian accounting Interpretations) and the Associations Incorporations Act NSW 2009. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors Responsibility

My responsibility is to express my opinion on the financial report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagement and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

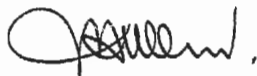

Auditor's Opinion

In my opinion:

The financial report of Collaroy Surf Lifesaving Club Inc. is in accordance with the Associations Incorporation Act of NSW 2009 including:

- (i) giving a true and fair view of the Association's financial position as at 30 April 2021 and of its' performance and its cash flows for the year ended on that date; and
- (ii) complying with the Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporations Act NSW 2009; and
- (iii) that the financial statements show a true and fair view of the financial results of fundraising appeals conducted during the year; and
- (iv) that the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- (v) at the date of this report there are reasonable grounds to believe that the club will be able to pay its debts as and when they fall due.

ABN 66 023 772 886
NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 APRIL 2021

STATEMENT OF ACCOUNTING POLICIES

(a) Basis of Accounting

These financial statements are a special purpose financial report prepared for use by the Executive Committee and members of the Association. The Executive Committee has determined that the Association is not a reporting entity. The financial statements have been prepared in accordance with the requirements of the following applicable Accounting Standards and other mandatory professional reporting requirements:

- AASB 101: Presentation of Financial Statements
- AASB 110: Events after the Balance Sheet Date
- AASB 124: Related Party disclosures
- AASB 1031: Materiality
- AASB 1048: Interpretation of Applicable Standards

No other applicable Accounting Standards or mandatory professional reporting requirements have been applied.

The statements have been prepared on an cash basis using historical costs.

The following specific accounting policies, which are consistent with the prior year unless otherwise stated, have been adopted in preparing these financial statements:

(b) Assets and Equipment

Assets and equipment are included at cost. All assets are depreciated at a rate estimated to write off the cost of those assets over their estimated useful life.

(d) Income Tax

No provision has been made for income tax as the association is a non profit sporting organisation that is exempt from income tax.

(f) Events after the Balance Sheet Date

No events have occurred after the Balance Sheet Date which require adjustment to the financial statements.

(g) General

- The accounts have been prepared in accordance with the Charitable Fundraising Act and legislation and the Associations Incorporation Act
- The accounts consolidate the financial aspects of all components of activity of Collaroy Surf Life Saving Club Inc. including Junior activities
- A schedule of reportable fundraising activities under the Charitable Fundraising Act is shown at Note 12

Note 1 - Donations & Sponsorship

Westpac Investments

1) Term Deposit - \$100,337.99

Interest Rate – 0.88%

Maturity Date – 13 May 2021

2) Term Deposit - \$104,303.86

Interest Rate – 0.23%

Maturity Date – 20 September 2021

Examined McCann Accounting

COLLAROY SURF LIFE SAVING CLUB INC
ABN 66 023 772 886
NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 APRIL 2021

3) Term Deposit (Centenary Club) - \$75,000.00

Interest Rate – 0.21%

Maturity Date – 8 September 2021

Note 10 – Insurances

Insurance Premiums Paid

- Directors and Officers Liability	471
- General Insurances inc. Clubhouse Contents & Equipment Trailers	5,942
- Worker's Compensation – Caretakers	241
- Total	<u>\$6,654</u>

Surf Life Saving NSW maintains Public Liability Insurance on behalf of all Clubs in NSW. This is paid for as part of the SLSA fees (Capitation levies) remitted to that body.

Note 11 – GST

There has been a change in accounting policy with regard to the GST. All dollar values in the accounts now exclude GST where applicable.

The GST Prior Year adjustment of \$5,737 in the Profit & Loss represents the accrued GST to 31 April 2020.

\$17,808 of the total GST Receivable amount of \$18,540 in the Balance Sheet was received on 5 May 2020. The balance of \$733 represents accrued GST receivable for the month of April 2020.

Note 12 – Fundraising Activities

Golf Day

Gross Proceeds	38,835
Expenses	<u>(17,851)</u>
Net Surplus	<u>\$21,724</u>

Beach Club Raffles

Gross Proceeds and Net Surplus	<u>\$2,996</u>
---------------------------------------	-----------------------

Reportable Donations

Total Donations	<u>\$31,267</u>
Costs associated with donations	Nil

FOR THE YEAR ENDED 30 APRIL 2021

PRESIDENT'S DECLARATION UNDER THE CHARITABLE FUNDRAISING ACT

I, Gregory Broome, President of the Collaroy Surf Life Saving Club Inc. declare that in my opinion:

- a) the financial statements (accounts) give a true and fair view of all income and expenditure of the Collaroy Surf Life Saving Club, with respect to fundraising appeals; and
- b) the Statement of Financial Position (Balance Sheet) gives a true and fair view of the state of affairs with respect to fundraising appeals; and
- c) the provisions of the Charitable Fundraising Act 1991, the Regulations under the Act and the conditions attached to fundraising appeals have been complied with; and
- d) the internal controls exercised by the Collaroy Surf Life Saving Club Inc. are appropriate and effective in accounting for all income received and applied by Collaroy Surf Life Saving Club Inc. from any of its fundraising appeals.

Gregory Broome
President

RESPONSIBLE ENTITIES DECLARATION

Collaroy Surf Life Saving Club Inc. declares that in its opinion

- a) there are reasonable grounds to believe that Collaroy Surf Life Saving Club Inc. is able to pay all of its debts as and when they become due and payable; and
- b) the financial statements and notes satisfy the requirements of the Australian Charities and Not-for-profits Commission Act 2012.

Signed in accordance with sub section 60.15(2) of the Australian Charities and Not-for-profits Commission Regulations 2013.

Gregory Broome
President
