

## COLLARROY SLSC SKILLS UPDATES

Season 2024-25

This document covers the online and practical requirements for this seasons Skills Updates and dates.

If you are a teacher, trainer or instructor and you are required to complete your resuscitation award every 12 months we can assist you. If you have to complete the HLTAID009 we can complete this as part of your Skills Update at no cost for obtaining the new award.

Please let Greg MacMahon CTO know by the Monday prior to your attending the update and he will arrange the forms that will need to be completed on the day.

### BRONZE & SRC

As usual there is an online component log into the Members Portal using your own login and not a family login. If you use a family login the system will not record the results against your name.

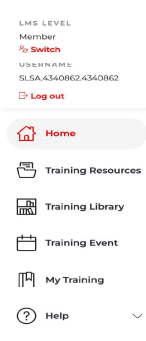

#### A Bronze Medallion member will need to:

- Watch a video update
- Complete five online learning branching scenarios
- Answer the questions related to any of the above content in BM Theory Assessment

#### A Surf Rescue Certificate member will need to:

- Watch a video update
- Complete three online learning branching scenario
- \* Answer the questions related to any of the above content in SRC Theory Assessment

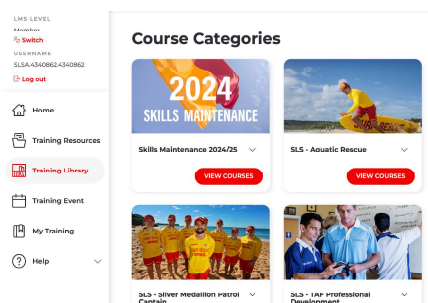

To access the online go to the members portal and then go to eLearning. Below is a brief explanation on how to get there.

This is the menu you should see when you are transferred to eLearning. This season the PSAR 35 Bronze/SRC manual is not in the publications app it is available on the portal.

You will find it under Training Resources

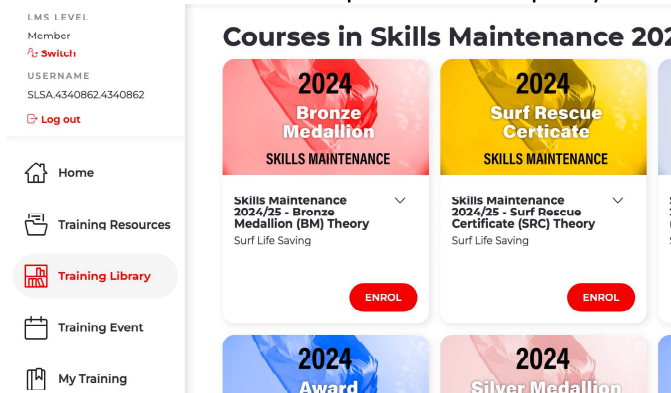

To access the Skills Update go to Training Library you will then see the below Shot

Click on 2024 Skills Maintenance using the View Courses

button

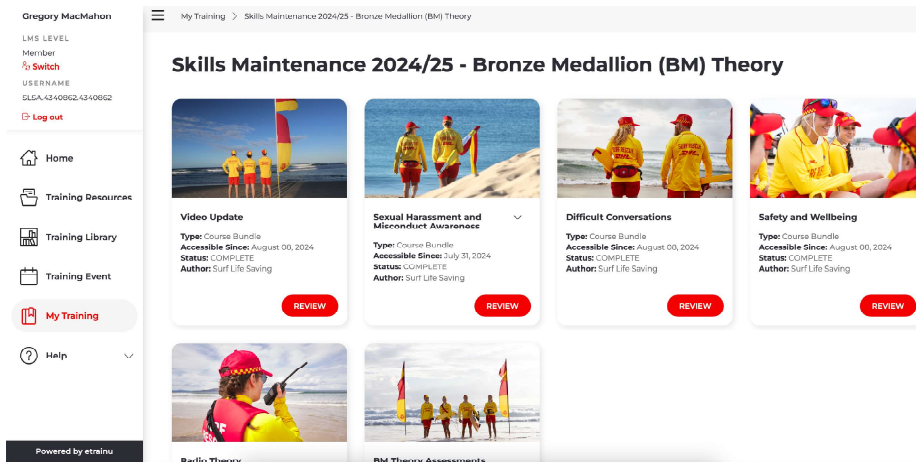

You will then see the below options and it is pretty clear red for Bronze and yellow for SRC

You then hit the enrol button and you will see the following screens. Bronze you will have six tiles to complete and you must complete all six. It does not take long. SRC you will also find five tiles and you must complete all of them.

If you start the update and then have a break and need to re-enter you will find the course under My Training.

### Bronze

### SRC

Is similar to the Bronze screenshot above only titled SRC Theory

The practical component will be completed at the club on the advertised dates.

### SILVER MEDALLION BEACH MANAGEMENT SMBM

All holders of the SMBM must complete a small online update.

You access the module through the Members Portal eLearning. Once in eLearning go to Training Library and click on SLS – SURF RISK RATING

You then follow the instructions and complete the two modules. Please make sure you click on the Exit on the top left of the screen when you finish.

THIS HAS TO BE COMPLETED BY THE WEDNESDAY BEFORE YOUR PATROL TO BE ABLE TO SIGN ON FOR YOU PATROL

### ADVANCED RESUSCITATION

No online required this year. There will be a practical update so please check below dates.
