COLLARROY GIANTS SELECTED TO REPRESENT AUSTRALIA !!

Australia Life Saving Team selected for the 2026 Trans-Tasman Surf Boat Test Series

Surf Life Saving Australia is proud to announce the Australian Surf Boat Team and the Australian Development Surf Boat Team, selected to represent Australia in the upcoming Trans-Tasman Surf Boat Test Series.

Seventy surf boat crews braved trying conditions at the National Team Selection Event (NTSE) at Swansea-Belmont, NSW, with the top crews earning the great privilege of representing their country.

The Australian Surf Boat Team will be represented by the Currumbin Barbarians in the Open Males and the Collaroy Giants in the Open Females.

The Open Male competition went right down to the wire, with the Barbarians and last year's Australian team representatives, Bulli Gold, finishing the final round on even points and thus requiring a row off to decide the victorious crew.

The Australian Development Surf Boat Team will be represented by the South Curl Curl Burley (Male U23) and the Palm Beach Pina Coladas (U23 Female).

The Australian Surf Boat Team will now prepare for the Trans-Tasman Surf Boat Test Series, which will be held on Saturday 14 February, 2026 at Wanda Beach, NSW.

Australian blazers and numbered caps will be handed out at Wanda. It is likely that the event will be Live streamed so keep an eye out.

Surf Life Saving Australia (SLSA) congratulates the 212 Surf Lifesavers recognised with National Medals in SLSA National Medal Batch 54.

National Medals are a prestigious part of the Australian honours system, recognising long and diligent service by individuals who risk their lives or safety to protect or assist the community in times of emergency or national disaster.

Saxon Lysaght-Wheeler Collaroy SLSC, NSW

The National Medal was established by the Commonwealth of Australia in 1975 as one of the original elements of the distinctive Australian system of honours and awards. The medal recognises long service in organisations that protect life and property at some risk to their members.

The National Medal is available to eligible Surf Life Saving Australia members who have completed **a minimum of 30 patrol hours each season, for a minimum period of 15 full years (5,480 days) * from 18th September 1986. The National Medal criteria is determined by Government regulation, not SLSA and therefore cannot be relaxed or altered.**

COLLAROY SLSC GOLF DAY 9 JANUARY 2026

A successful golf day was held last Friday. Further details in the next edition of the Crab.

REMINDER - SWIMMING TRAINING — Thursday nights 6.30 to 7.30pm

Swimming resumed on January 8, 2026. Thanks to Anne Jenkins, who has made this venture possible for CSLSC, the committee for approving the weekly event, the coaches involved and most of all, the swimmers who have dedicated themselves to improving skills.

There has been an amazing improvement across all the lanes, but particularly in the nipper lanes, which is most encouraging. Encouragement awards were presented.

FROM THE HISTORY BOOKS.....

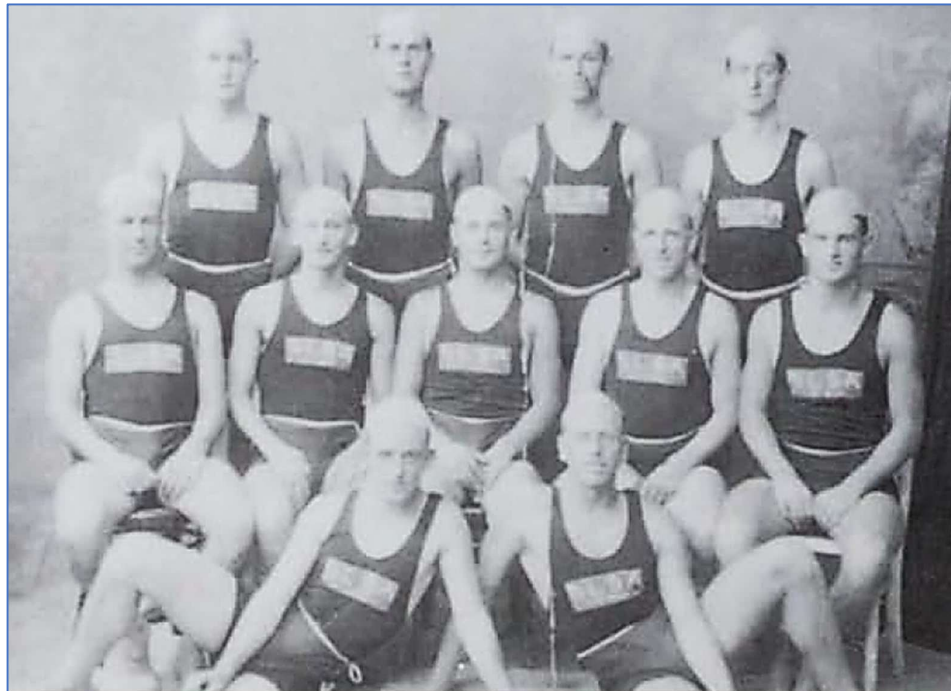

AUSTRALIAN REPRESENTATIVES

The Open Female Boat crew, the Collaroy Giants are our first ever Australian Representative team. This month, the focus is on previous Australian representatives.

1921 – Bon Abbott was Vice Captain of an Instructional Tour of the Far North Coast

1923 – Ron Harris and Bon Abbott were selected for an Instructional Tour of the North Coast. Bon Abbott was elected Captain. Harris did not attend due to the death of his father.

1925 - Max Evans and Ralph Chequer were selected in the Association Instructional Team which toured the South Coast of New South Wales.

1927 – Ralph Chequer

Following his Australian belt title win, Ralph Chequer was selected in the Australian Representative Team which was sent on an Instructional Tour of WA. The team carried some public exhibitions on the beaches of Perth and Fremantle, as well as competing in a Christmas carnival held by the North Cottesloe Life Saving and Athletic Club.

1949 – Bill Abbott and Dick Twight (Instructor)

Bill Abbott and Dick Twight were selected for an Instructional Team tour of Tasmania

1954 - Dick Twight - Captain of the Australian Team to Durban, South Africa.

The team also competed in the South African Championships which were held at South Beach as well as individual events. Their strength in skis, boards and swimming was immediately apparent with Dick Twight winning the South African board title. The highlight of the day was an R&R demonstration by the Australians and another exhibition of their surf boat in 'very heavy conditions'. The team found widespread support amongst the South African lifesavers for Australian methods.

After the championships, the team visited some of South Africa's other surf clubs, giving demonstrations at Amanzimtotti, Warner Doone, and Winkle Spruit Surf Life Saving Clubs.

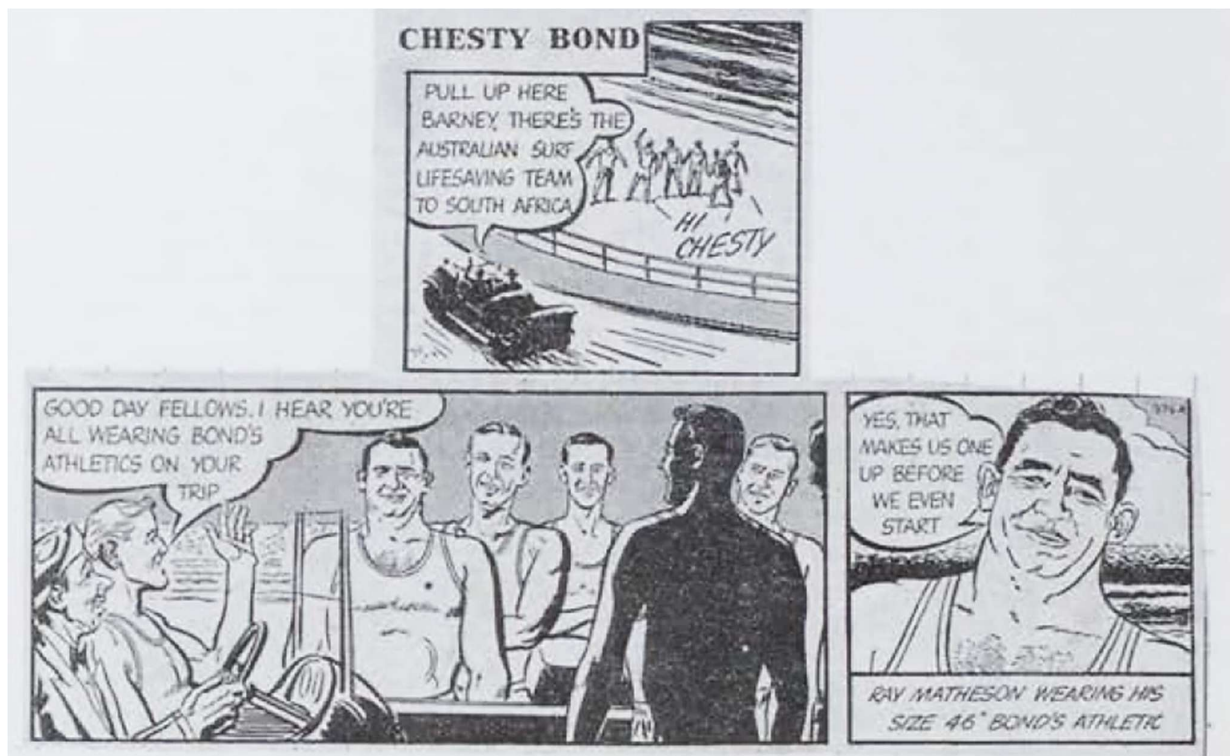

Dick Twight oversees the drill by the Australians in front of a large crowd at South Beach, Durban.

The team then moved on to the First Test between the two nations which was held on South Beach, Durban and won the series three tests to two. In the final three days of the tour the Australians ventured south to Margate for another demonstration before heading back to Durban and Scottsburg beach for a final demonstration in a large rolling surf before 6,000 interested spectators.

Members of the Australian Team to South Africa were even captured in cartoon form. Here they help sell Bond's singlets.

1967 - Doug Newman and Chris Bradord – Australian Tour to New Zealand
