BRONZE & SRC
As usual there is an online component log into the Members Portal using your own login and not a family login. If you use a family login the system will not record the results against your name.

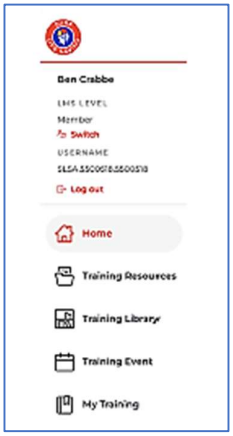

A Bronze Medallion member will need to:
- Watch a video update outlining changes to skills maintenance requirements, as well as any changes to SLS procedures or ANZCOR guidelines. (approx. 3 minutes)

ART
- Watch a video on the key findings from the rollout of L-CPR and the essential principles of effective team leadership during CPR.

To access the online go to the members portal and then go to eLearning. Below is a brief explanation on how to get there.

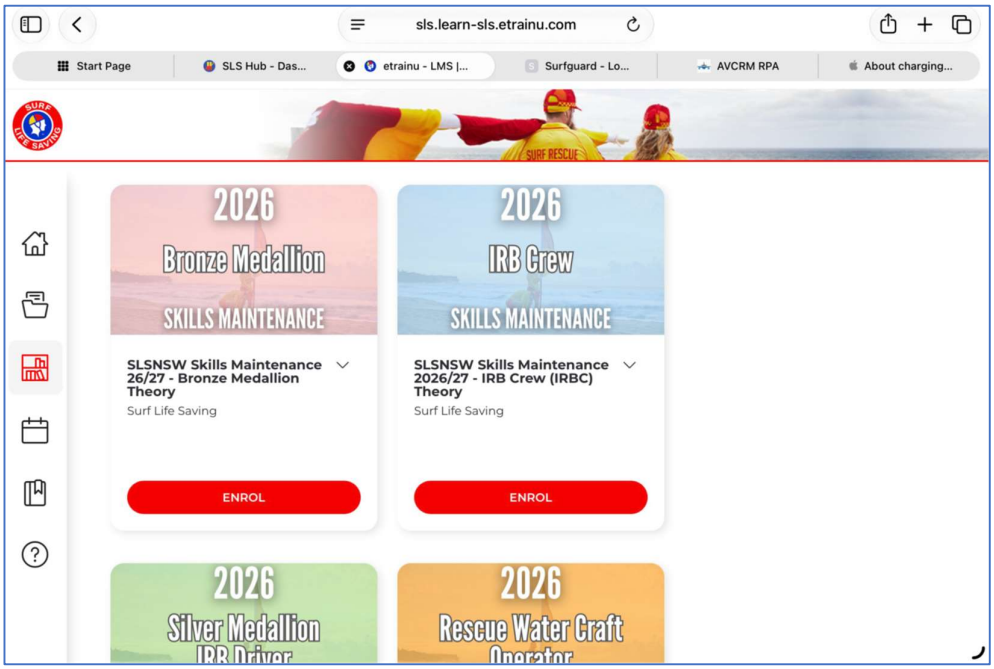

This is the menu you should see when you are transferred to eLearning.

To access the Skills Update go to Training Library you will then see the page below

Click on 2026 Skills Maintenance using the View Courses button You will then see the below options, then select either Bronze, SRC or Advanced Resuscitation Techniques (ART).

You then select the enrol button for the appropriate course and you will see the required modules - You must complete all.

If you start the update and then have a break and need to re-enter you will find the course under My Training back in the main menu.

Swimming Training

We can only take 2 more adults into our program, as the pool is at capacity. All Nipper lanes are full. This is exciting news, because it means that CSLSC has many members, who are enjoying the program and participating each week. Thank you for helping the club improve members' swimming skills. I will be deregistering members who have not attended for 2 months. Stand by for further updates on the swimming program.

· Time 6.30 every Thursday.

· Venue Narrabeen Sports Academy Pool – with 3 highly qualified coaches.

· Bring flippers, kickboard – essential (and a pool buoy if you have one)

· Must be able to swim 25m confidently.

· Open to all financial members. · Registration is essential on link:
https://b1101551.familyportal.com.au/public/enquiry

How to make swimming easier? Use Sensory Skills Practice.

Remember to always feel the water with your body. It is like lemonade washing over your entire body. Feel it, catch it, push your body forwards past an imaginary point. This is how the boaties practice, as mentioned by our President.

1. **Swim downhill.** Do this by hiding your head. That means that 90% of your head is in the water, which will lift your butt and legs, so they don't drag. Push your chest down ever so slightly to obtain full flotation.

2. **Swim with weightless arms.** Placing all your weight on your chest (#1) will help you swim tall.

3. **Reach for the far wall in every stroke** by driving your hips down to obtain rotation and extend those arms. (Remember that swimming on your side, similar to turning sideways as you stand in the surf wave area, allows your body to cut through smoother, sleeker and faster.) Our arms will stubbornly push down, if we are not conscious about holding them high (about 5 to 10 cm below the surface)

4. **Swap your hands as silently as you can.** (Fingertip entry, extend forward, and hold the glide.) Put off pulling until the other arm is just about to re-enter the water.

5. **Move your midsection rhythmically from side to side** as you practise all the above skills.

Enjoy the practice.

Surf Ski Training - is back!

For all those interested in learning how to paddle a surf ski, we are looking for cadet age club members to give it a go! Impending bronze course or bronze certified. No ski or paddle required, just come along with a good attitude and keen to learn a new skill.

Please contact Reece Bosward on 0420 311 171. Progression to then join the ski squad in the upcoming months.

Betty Twight – Our Club Patron

Many members may be aware of the incident which has recently befallen our esteemed club Patron, Mrs Betty Twight.

Betty unfortunately suffered a fractured hip and multiple skin abrasions a few weeks ago in a fall. Successful hip surgery has been hampered by healing issues, given the fragility of aged mature skin.

Always in our thoughts, the club wishes Betty a successful recovery and we hope she will soon be back at her home and community.

From The History Books……

This month's history topic is Bill Goodman, Life Member and Honour Blazer Member. In 2009, the Club lounge was renamed the 'Goodman Lounge' in honour of Bill's achievements. Below are just some of them.

William James Piggott Goodman OAM

1926 - 2017

Collaroy SLSC Patron W J (Bill) Goodman OAM

William Goodman was born in Manly in 1926. At the 1943 AGM, as a 17 year old university student, Bill became the Club's Treasurer. He had the support of his father, Jim, who was the local Postmaster and co-owner of the local grocery store and the local Bank Manager, Bill Lloyd, offered to teach him the basic bookkeeping skills required for the position. This was the start of a role that would span 60 years and create an unsurpassed record within surf life saving.

Bill joined the Club in 1941 and obtained his bronze medallion in January 1943. Like so many other members at the time, he had a nickname and Bill's was 'Crispies' as he once owned a shirt that resembled a cereal box.

In the 1950s, he was the force behind the construction of the new clubhouse and at one stage lent the club £1750 of his own money towards the cost of construction. When the Club's funds were again dangerously low, Bill and several others formed the 'Ways and Means Committee' which started the *Time and Tide Raffles*.

In 1993, the Club held a 50th Golden Year Dinner to recognise Bill's 50 years as Club Treasurer.

Val and Bill Goodman at the 50th Golden Years Dinner in 1993

Committee Record:

General Committee 1943 - 2014

Treasurer 1943 – 2003

Administration Officer 2003 – 2014

Carnival Official 1991 to 2010

Building Committee 1945 – 1957

Premises Committee 1956 - 2005

Life Membership Committee 1970 – 2009

Major Recognition Awards:

Life Membership 1950

Honour Blazer Membership 1958

Warringah Shire Council Outstanding Service Certificate 1979

World Life Saving Citation of Merit 1986

Sydney Northern Beaches Branch Life Membership 1989

Daily Telegraph Sports Achiever Award 1993

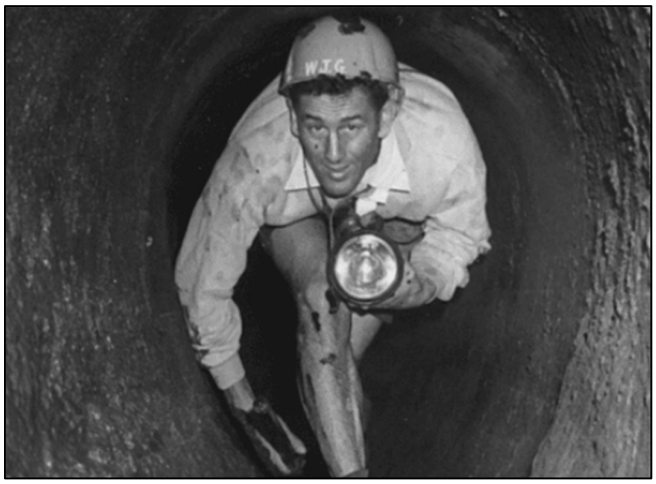

New South Wales State Life Membership 2001

NSW Sports Federation Distinguished Long Service Award 2013

Basketball Achievements:

Whilst he was a member of the Surf Club's basketball team in the 1950s, Bill became a referee with the Manly Warringah Basketball Association. In 1967, he took over the reigns as Treasurer of the NSW Basketball Referees Association and held the position until his death. He refereed from local to Australian and World games during his career. In 1977, Bill was awarded Life Membership of the NSW Basketball Referees Association. Basketball NSW honoured him with Life Membership in 2017, just days before his death.

In his 'paid' work, he had a Bachelor of Civil Engineering and a Bachelor of Science, and worked for the then Water Board, now Sydney Water. He became the 'go to' man for knowledge of Sydney's underground sewerage infrastructure. Whilst he formally retired in 1986, he continued to provide his expertise when required.

Bill was awarded the Medal of the Order of Australian in recognition of his service to both Surf Life Saving and Basketball in 1995. The Club's Most Improved Committee Member Award is named after Bill Goodman.
